

Blessed Sacrament Academy

Striving to Be More and Do More – Everyday

Blessed Sacrament Catholic Academy in partnership with families and the community, provides a quality, relevant Catholic education that prepares students to become productive and conscientious citizens.

As a Catholic academy, Blessed Sacrament is dedicated to sowing the seeds and laying the foundation which will help students meet the challenges of the 21st century. This is accomplished through an educational program that emphasizes formation in the Catholic faith, academic excellence and social commitment.

Located in Cypress Hills, a community of one- and two-family homes and small businesses, the school and beautiful parish church are situated on Euclid Avenue, one block south of Atlantic Avenue. Both are easily accessible by bus or the Crescent Street station on the J train.

When guests visit the academy, they are not visiting a building, but a learning community of teachers, support staff and parents working together to help students be more and do more. Each day, dedicated adults work with students in an atmosphere of respect, where God and His love

are woven into the fabric of each day. Blessed Sacrament creates a school climate that reflects the warm and intimate atmosphere of family life.

Early Childhood students explore their world through mind and body. They learn through listening, singing, dancing, painting, playing and technology. Moving up through the grades, students increasingly tackle the rigors of the Next Generation Standards using books, iPads, SMART Boards and dynamic learning groups.

Prospective families are invited to experience this vibrant learning environment with a strong Catholic identity. The pastor, board, principal, faculty and staff have a history of strong devotion and dedication to Catholic education in the Brooklyn Diocese. Members of this community do what they do each day out of love for the institution, but more importantly, for the students and their families.

As a Catholic institution, we seek to develop young learners into well rounded intellectually nurtured, physically developed and morally upright young men and women with a strong sense of God's love.
