Xavier High School

Transforming the World for God's Greater Glory

Founded in 1847, Xavier High School is an academically rigorous, Catholic, Jesuit, college preparatory school in New York City that educates intelligent, motivated young men of diverse backgrounds and means.

Xavier teaches students to take responsibility for their lives, to lead with integrity, to act justly in service of others, to pursue excellence in every endeavor and to deepen their relationship with God. Ultimately, Xavier forms young men who will go forth to transform the world for God's greater glory.

The mission is deeply rooted in Jesuit educational methods and Catholic values, yet adaptive to today's ever-changing world. Xavier's Fernandez-Duminuco Hall's state-of-the-art facilities include a robotics classroom, a performing arts space, and music suite replete with a recording studio. These facilities broaden students' ability to design, demonstrate and create their own learning. Fernandez-Duminuco Hall enhances Xavier's ability to offer young men a first-rate education and instill in them the habits of mind and heart that

prepare them for some of the best colleges and universities in the country and equip them to be tomorrow's leaders in the city, of the Church, across the nation, and throughout the world.

How else does Xavier fulfill this promise to transform young men to become 'persons for and with others'? Xavier's teachers, coaches, counselors, and administrators embody the Jesuit principle of Cura Personalis – care of the whole person – and strive daily to challenge, instruct, and mentor each student.

In addition to rigorous academic coursework and successful athletics, campus ministry, and co-curricular activities, Xavier offers students leadership and service opportunities through a Military Science program and Companions of St. Francis Xavier service and immersion trips. Sons of Xavier discover their hidden talents and abilities so that they may put them in service to God and others.

Discover how Xavier delivers on its promise of sending forth young men of competence, conscience, compassion, commitment and creativity!
