St. Helen Academy

Developing Values and Skills

Invest in your child's spiritual and academic development. Educating the whole child is the primary focus at St. Helen Catholic Academy, located in Howard Beach, Queens.

Providing a rigorous curriculum, meeting the highest standards for pre-kindergarten through grade eight, St. Helen Catholic Academy is dedicated to developing a strong foundation in faith, rooted in the traditions of the Catholic Church.

To be successful now and in the future, students develop values and skills to excel in their spiritual and academic pursuits.

St. Helen Catholic Academy recognizes that the parent or guardian is the child's first and most constant teacher.

Educators at the school will work with

families to help children grow into young adults that can not only meet today's complex challenges, but also do so with a gracious spirit and a will to share their gifts and talents.

For more information, visit www.sthelencatholicacademy.org or call 718-835-4155.

Holy Child Jesus Academy

Celebrating Over 100 Years of Catholic Education

Holy Child Jesus Catholic Academy is located in the beautifully diverse residential area of northern Richmond Hill. The academy is located near the idyllic and country-like setting of Forest Park and the "Triangle" area - the convergence of Myrtle, Hillside and Jamaica avenues - where the famous Triangle Hofbrau restaurant stood for over 100 years and served area residents and the rich and famous alike.

Located on 86th Avenue between Myrtle and Jamaica avenues - two blocks from the NYC Subway and many bus lines - HCJCA has two inter-connected buildings housing 20 classrooms; library, computer and STEM labs; art, music and Spanish rooms; a cafeteria and gym serving pre-kindergarten through grade eight students.

The academy is a family in Jesus Christ where the program includes religion as a major subject. There are many opportunities for students to learn their faith, including monthly liturgies and preparation for the sacraments. HCJCA students are taught in a nurturing and loving atmosphere where the Gospel message is a reality on a daily basis. Students of all faiths are welcome to be part of the academy family.

HCJCA provides an environment of academic excellence where the program adheres to the call for rigor and relevance according to Common Core State Standards. Teaching is appropriately student-centered, with an emphasis on students thinking deeply and applying knowledge in a wide range of formative and summative assessment opportunities.

HCJCA follows NY State curriculum and diocesan standards. In addition to traditional subjects, HCJCA offers foreign language (Spanish), art, physical education, music, computer classes and an Aquinas Program for gifted and talented students (grades seven and eight). Seventh- and eighth-grade students also have an opportunity to qualify for National Junior Honor Society. A school band program is available for grades three through eight.

A newly renovated STEM Lab allows students in all grades to become engaged in learning while equipping them with critical thinking, problem solving, creative and collaborative skills. All students in kindergarten through fourth grade have iPad Air 2s to use in school, and grades five through eight use Chromebooks.
