## *A Place to Grow in Mind, Body and Spirit*

For over 50 years, the Christ the King Campus has been serving its surrounding communities with quality Catholic education and programs. CK Campus includes Christ the King High School with nearly 800 students, CTK Kids which offers children the opportunity to participate in extracurricular activities, and Christ the King Community Daycare with approximately 300 children. A Pre-K program within Christ the King Community Daycare provides a free, full-day education to children four years of age.

### Christ the King High School

Christ the King High School is an independent, co-educational Catholic High School with a four year college preparatory curriculum. The school is accredited by the Board of Regents of the State of New York and the Middle States Association of Colleges and Secondary Schools. It is dedicated to creating an atmosphere in which all members of the student body can attain a high level of achievement based upon their unique abilities and relationship with God.

ities and relationship with God.

Christ the King has reached a level of academic distinction making it one of the most sought after private high schools in New York City. Each year, its students achieve academic excellence that results in millions of dollars of scholarships from colleges and universities across the nation.

The curriculum and extracurricular offerings at Christ the King are designed to allow each student the opportunity to maximize his or her potential. They include:

- New Chromebooks for incoming freshmen
- Honors and Advanced Placement courses in English, mathematics, science, social studies, foreign language and computer science
- Affiliation with St. John's University College Advantage Program
- Technology program which encourages students to take Microsoft and Certiport certification exams.
- Campus Ministry and Community Service Program

• Highly acclaimed Theatre Arts Program

• Students can choose to join clubs and activities such as art, book, broadcasting, chess, dance, drum corps, forensics, journalism, marching band, math club, mock trial, National Honor Society, newspaper, photography, prevention leadership, robotics, speech and debate, technology student association, video-yearbook and yearbook.

• The nationally renowned sports program includes basketball, baseball, bowling, cheerleading, football, golf, handball, soccer, step, track and volleyball.

Christ the King High School students have scored as high as the 99th percentile on recent SATs and have gone to nationally ranked colleges and universities, such as MIT, University of Pennsylvania, Duke, Georgetown, NYU, St. John's, Howard, Adelphi, Hofstra, Fordham, and elite US Military Academies, such as West Point and the Air Force Academy.

Along with other measures Christ the King has taken to keep tuition affordable, the school offers:

- The Christ the King Continuing Education Catholic School Loyalty Award. This award totals \$2,000 over the course of four years.
- Four-Year Fixed Tuition Rate. This guarantees that your child's tuition will not increase while attending the school.

### CK Kids

In addition to an advanced educational program, additional programs for children include karate, dance, acrobatics, cooking and soccer.

### Educational Programs

CK's educational support programs for kindergarten through 12th grade are designed to review and reinforce subject matter and skills necessary to achieve success. Year-round private tutoring program offers individual educational support based on the students' schedule and needs. Test preparation classes are the perfect option right before big exams. Driver Education is open to all high school students.

### Extracurricular Activities

Dance, karate, hip-hop, acrobatics and cooking classes are offered for boys and girls of all ages and skill levels.

### Summer Programs

Don't miss the summer fun at CK! Christ the King has four exciting summer camps to offer children of all ages. Camps appeal to all interests: soccer, basketball, cheerleading, dance, drama, cooking, arts, waterslides, and karate. CK Kids also offers on-site math and ELA programs. All activities take place on the CK Campus with flexible scheduling, a convenient location, sibling and multiple week discounts.
