A Fun and Memorable Time at Nazareth RHS

◀ Continued from Page 15A

we helped out Mount Olivet Primary School. We helped out as teacher assistants in classrooms, and we donated school supplies. On the last day of the trip, we went to YvS Falls.

It was an amazing experience for me. I went ziplining, swimming, and I bought a few souvenirs. However, what made this trip so impactful was that I learned to be grateful for what I have, especially, since there are many others worldwide who are less fortunate than I am.

Xaverian Brothers Retreat

Another thing that impacted me in my junior year of high school was my XBSS retreat. This retreat consisted of 12 other Catholic high schools and was sponsored by the Xaverian Brothers.

After we all greeted each other, we were all broken into groups of seven. During the retreat, we dived in and talked about our problems and personal things that we were dealing with.

After a few days of fun activities, great conversations and plenty of bonding, it was time to go. What I got out of the retreat the most was that no one is truly alone in this world and it's very important to have someone that you can trust and talk to. Junior year was truly an impactful year for me, and I couldn't wait to see what senior year had in store.

Senior year has been truly remarkable for me. I enjoyed every moment of it. From spirit week to my senior trip, this year has been astounding.

As I approach my final days of high school, I look back and realize how far I've come. I thank God that I went to high school. I thank God that I got such a great experience and I thank God that I went to Nazareth because this school has made such a tremendous impact in my life. High school has been great, and I can't wait to begin the next chapter in my life.
