Catholic Education Builds the Foundation for Life With Faith, Service, and Excellence

During the 2020-2021 school year, our Catholic Academies and Parish Schools celebrated Catholic Schools Week with the theme of "Faith, Service, and Excellence." These descriptors are fitting as we reflect on the past school year and look ahead to welcome students and families in September.

The theme of faith, service, and excellence, encompasses many of the attributes that contribute to what makes a Catholic education different. This multi-faceted description showcases that education in a Catholic Academy or Parish School does not have a singular focus. The development of a child requires the acknowledgement and care of each part of the individual. This past year has highlighted the important role that education holds in the life of children and families not just for academic growth and achievement but for socio-emotional development and spiritual well-being.

At the center of Catholic education and the first descriptor, is our faith. We eagerly await September as students, faculty, and clergy come together for Liturgy. This shared experience of faith is truly remarkable to witness and reflects the core of Catholic education, to share in the knowledge and love of Christ. Faith does not grow in isolation. It is our shared faith journeys that strengthen and

empower the heart to fully embrace the love of Christ. Continuing the celebration of faith within our classrooms strengthens the bonds of the Church as the Body of Christ. Our Catholic Academies and Parish Schools are blessed with families who understand the importance of strengthening a child's faith at every opportunity as well as faculty who live the words of Christ in their actions and values.

Last year, undoubtedly was challenging but it highlighted the commitment of administration, faculty, and staff to continue to provide quality education opportunities. In reflecting at the end of the school year, the common theme in feedback from administrators and families was the dedication of teachers and staff. Service goes hand in hand with a life rooted in the Catholic faith. We see the works of Christ alive in our teachers as they serve students and families. Even during the darkest times of the pandemic, through uncertainty and doubt, our school communities were led by beacons of light in the administrators and teachers. As we focus on September, we are filled with hope at the potential that lies in a new school year knowing that through faith and service, we have already risen through challenging times and are prepared to face all that may come.

Across the Diocese of Brooklyn, teachers and

administrators are already hard at work beginning preparations for a new school year with the understanding that excellence is not a passive occurrence. It is through the hard work and dedication of faculty and staff that Academies and Parish Schools provide the best learning environments, from innovative STREAM programs to global languages to technology labs. Our schools are "Building a Foundation for Life" through their in-depth understanding of the needs of students as they work to become global citizens. Excellence cannot be limited to a momentary assessment. It also relies on the mindset of constant growth and development. To be excellent in the moment is a milestone, but to continuously strive towards excellence, understanding that there are no limits to potential is a mindset that students live in their Catholic school experience.

We look forward to beginning the school year with hope and excitement. We are happy to welcome back current students and families as well as meet prospective families. For families who are considering a Catholic Academy or Parish School, we invite you to take the time to visit and truly experience the Catholic school difference, centered in faith and the love of Christ. This difference has

Catholic Schools
Faith. Excellence. Service.

been pivotal in developing faith, academics, and socio-emotional well-being of each child. We believe in the potential of each child and continuously strive to guide each child to achieve their God-given potential. We are thrilled to be able to offer this opportunity to additional students and families.

As you prepare your child and family for the beginning of the school year, may you take time to be truly present in your moments together. We pray for peace and relaxation in the coming weeks and look forward to welcoming students and families back to school in September.

A Message From the Diocese's Vicar for Catholic Schools

Last year, as we opened our schools, we were in an unprecedented moment in history due to COVID-19. While we are still in uncharted waters, we are in a much better place than when we started the school year last September. Our Catholic schools have done so much in dealing with the situation, and as a result we have been very successful.

After years of closures and declining revenues, 39% of its elementary and middle schools across Brooklyn and Queens have seen a spike in enrollment over the past year. School leaders worked tirelessly in developing plans for the safe return to in-person school in order to best meet students' academic, social-emotional and faith-

based needs.

During this past year, a Year of Renewal Summit was held. The Summit was designed to celebrate our students, teachers, staff and parish communities.

The goal of the Summit was to strengthen specific areas within Catholic education with a focus on developing vibrant and vigorous religious education in our academies, parish schools and religious education programs. The Summit addresses enrollment, academic excellence, financial viability and governance. There are actions steps being taken within the parishes academies, catholic schools and religious education programs and as a result stronger bonds have developed among the school, academies, parishes and the communities. The Summit was divided into three sections which included strong team work, collaboration and partnerships between school faculty and parishes.

Msgr. David Cassato

School leaders worked tirelessly in developing plans for the safe return to in-person school in order to best meet students' academic, social-emotional and faith-based needs.

While our enrollments have increased, so has the need for scholarships and other financial aid for our students. Families have struggled to keep up with tuition payments averaging \$4,000 a year and have turned to Futures in Education to help defray the costs. Futures in Education was founded in 1989 in order to provide tuition assistance to families in Brooklyn and Queens. The mission of Futures in Education is to ensure that the gift of a Catholic Education continues to be a viable option for current and future generations of deserving students. Futures in Education provides assistance to the neediest of students, through endowment funds and fund raising programs that focus on key educational priorities.

According to Executive Director John Notaro, more families sought aid during the pandemic. Last April, Futures in Education created an emergency fund to help families

and raised about \$900,000 which assisted about 2,000 needy families. In spite of raising this money there is still a demand for help, for each of our schools, as COVID-19 has forced schools to hire additional staff, purchase PPE equipment and other necessities to protect our students, our teachers and other employees. Although we have a long way to go, the enrollments boasts we have seen leaves us hopeful for our continued success and growth.

So, as we are ready to begin the 2021-2022 school year, it is important to keep in mind the need for continued team work, collaboration and partnership throughout all that we do to so that we can preserve our schools for generations to come.

May God bless you and may the 2021-22 school year be one of good health and many blessings.

The Summit was divided into three sections which included strong team work, collaboration and partnerships between school faculty and parishes.

Blessed Sacrament Catholic Academy

Blessed Sacrament Catholic Academy, in partnership with families and the community, provides quality and relevant Catholic education that prepares students to become productive and conscientious citizens.

As a Catholic academy dedicated to sowing the seeds and laying the faith foundation, Blessed Sacrament aims to help students meet the challenges of the 21st century. This is accomplished through an educational program that emphasizes faith formation, academic excellence and social commitment.

Blessed Sacrament Catholic Academy is located in Cypress Hills, a community of one and two-family homes and small businesses. The beautiful academy and beautiful parish are on Euclid Avenue, one block south of Atlantic Avenue. Both are easily accessible by bus or the Crescent Street station on the J train.

We invite you to come to our academy to visit not a building, but a whole learning community of teachers, support staff and parents, working together to help our students be more and do more. Each day, dedicated adults work with our students in an atmosphere of respect, where God and His

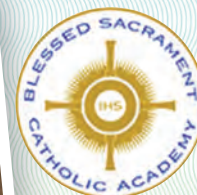

love are woven into the fabric of each day. Blessed Sacrament Catholic Academy creates a school climate reflecting the warm and intimate atmosphere of family life, from early childhood through 8th grade.

Our dynamic students tackle next generation learning standards with books, iPads, Chromebooks and a Smart Board technology.

Come experience a vibrant learning environment with a strong Catholic identity. The pastor, boards, principal, faculty and staff have a long history of strong devotion and dedication to Catholic education in the Diocese of Brooklyn. We do what we do each day out of love for the institution, but more importantly, for our students and their families.

As a Catholic institution, we seek to develop young learners into well-rounded, intellectually nurtured, developed and morally upright young men and women with a strong sense of God' love.

goodshepherdbrooklyn.org

Despite the challenges of the COVID-19 pandemic, Good Shepherd Catholic Academy remains faithful to its mission of providing an excellent education in a safe and secure learning environment. This aspect of our mission took on new meaning last school year. The administration, faculty, and staff rose to the occasion, providing diverse learning opportunities and dynamic lessons both to our in-person and remote students. With Jesus as the reason for our school and the center of our lives, the Faith continued to be taught directly and permeated our entire curriculum.

The Lord continuously inspires our faculty to give our students our best because, made in His image, they deserve it! Each day, our students learn the skills and tools they will need to succeed in school and beyond, and are exposed to the wonders of our creation and great themes from literature, so that, equipped with ability and knowledge of what is possible, they are prepared to contribute to our society now and beyond their days at Good Shepherd Catholic Academy. As we begin a new school year with full in-person

learning, our school's mission will continue to guide our work, all while ensuring a safe and healthy environment for our students.

From a parent: "Despite being in the middle of a pandemic, GSCA has found a way to thrive. It is because of the teachers, staff and principal that my 5 children are succeeding academically, socially and mentally.

There is no other place I would want my kids to be!"

The Lord continuously inspires our faculty to give our students our best because, made in His image, they deserve it!

Midwood Catholic Academy

Midwood Catholic Academy prides itself on being a firm and loving environment committed to bestowing a Catholic Education to children from Pre-K-3 through eighth grade.

The academy offers its students an extensive scholastic, spiritual, cultural, and social curriculum intended to nurture every child through his/her earliest stages of academic development, while also instilling the necessary tools to achieve success as they further their studies in high school and beyond.

In a world where negative values seem to be reinforced, on the contrary, Midwood Catholic Academy teaches its students the meaning of honesty, respect, and compassion. Religious instruction in the Catholic faith and participation in the sacramental life of the church foster a deeper awareness that God loves everyone and calls all to be his witnesses in this world.

Midwood Catholic Academy has a newly renovated Science/STEM Lab, as well as a brand new library, which was established by the academy parent's association. The curriculum is comprised of the core subjects plus art, music, physical education, health, technology, and American Sign Language. Each classroom is equipped with advanced

technology, such as Chromebooks, iPads, and interactive SmartBoards.

Extensive professional development allows the teachers to create multi-faceted engaging lessons while remaining aligned to NYS standards. Students are offered extracurricular and after-school clubs, such as band, choir, dance, fashion show, art, American Sign Language Club, basketball, and many more!

Please contact the school at 718-377-1800 or visit www.midwoodcatholicacademy.org to set up a tour today!

Our Lady of Perpetual Help Catholic Academy

A Smart Educational Investment

Our Lady of Perpetual Help Catholic Academy is nestled in the heart of Sunset Park - a vibrant, rich multicultural community. Students and faculty come from various parts of the world, which makes the academy community extremely diverse.

The academy's dedicated faculty and staff have a combined total of over 200 years teaching experience.

Our Lady of Perpetual Help Catholic Academy is committed to providing students with all the tools and experience they need to become active members of an ever-changing global society. To that end, the academy uses Chromebooks as part of its curriculum and has STEM program for fifth through eighth-grade classes. Students also understand the importance of serving others and are actively involved in monthly school service projects to help those in need.

A Roman Catholic school under the auspices of the Diocese of Brooklyn and Queens, Our Lady of Perpetual Help Catholic Academy endeavors to develop the gifts, talents and abilities within each individual child by allowing them to explore their own uniqueness.

Our Lady of Perpetual Help is committed to the whole person. The academy strives to instruct students in the catholic faith, instilling the Gospel values and provide a quality education that fosters the spiritual, moral and intellectual growth of each student so they may grow to meet their fullest potential.

It is the academy's goal to graduate students who are living examples of their faith and who value the gift of a keen mind and curious intellect.

Our Lady of Perpetual Help exists to provide a Christ-centered education that will empower its students to become ethical, responsible, productive Catholic men and women. Through the integration of spirituality, prayerfulness and the practice of Catholic tradition, the faculty of Our Lady of Perpetual Help is dedicated to the moral, intellectual, social, and cultural development of students to strive for personal excellence and sends them forth to witness Jesus' values in this ever-changing, multicultural society.

Registration is currently underway for nursery through grade eight.

Our Lady of Perpetual Help will be open with in person, plus online classes if needed.

It is the academy's goal to graduate students who are living examples of their faith and who value the gift of a keen mind and curious intellect.

St. Athanasius Catholic Academy

St. Athanasius Catholic Academy's mission is to provide an atmosphere where students' intellectual abilities and talents are fully developed. Through various experiences, it is the Academy's conviction to enable students to encounter Christ in every aspect of their lives. There are opportunities to encourage students' creativity, responsibility, scholarship, leadership and citizenship. Building a cooperative partnership with both family and community ensures a caring and safe environment.

As a Catholic academy, St. Athanasius' most outstanding quality is its Catholic identity. It is the underlying theme in all that happens each day. In words and actions, the school community teaches and lives the ways of Jesus Christ, the Master Teacher, to all who enter its doors.

The students join together in daily prayer, decades of the Rosary and dedication to saints. The school attends Mass, prayer services in classrooms and church, and special events centered on the faith formation of the students. Priests conduct weekly classes for students and are very present to the children every day.

Offering grades nursery through eight, St. Athanasius Catholic Academy serves children from Brooklyn, Staten Island and even Queens. The school excels because it has strong, dedi-

cated teachers, priests and staff. The academy follows New York State Common Core standards, with New York State-certified teachers.

The facility also has a brand-new STEM Lab, SMARTBoards, Chromebooks and iPads for all grades; and a full gymnasium, auditorium and outdoor recreation area. All classrooms are air conditioned.

The school offers free full-day Pre-K and 3-K For All, Italian, Art, a full-time academic inter-

vention room, Title I services five days a week, SETSS teachers, speech intervention services, and a guidance counselor.

Bonus**** A one-time \$500 financial grant will be awarded for each child from a closed school to enroll in a new Catholic elementary academy or school in Brooklyn or Queens this fall, as long as they have met all of the financial obligations.

Tuition assistance is also available through

Futures in Education, the non-profit organization that assists families in need. For information, visit www.futuresineducation.org.

This Fall we are hoping to have in-person classes Monday through Friday with socially distanced classrooms, daily health screening and other measures in place to have a safe and enjoyable year.

St. Bernadette Catholic Academy

The BEST Investment in Your Child's Future!

St. Bernadette Catholic Academy in Dyker Heights is an academic school of excellence that thrives both spiritually and academically while offering a strong Catholic identity in a supportive academic environment. In 2021, St. Bernadette Catholic Academy earned accreditation by Cognia, a non-profit organization that recognizes schools that meet rigorous standards focused on productive learning environments, possess equitable resource allocation that meets the needs of learners, and promote effective leadership.

The academy values academic achievement and reaches to exceed standards in all areas. St. Bernadette provides studies in a Next Generation Standards-based curriculum as well as classes in Italian, Technology, Art, Music, and Physical Education.

The academy facilitates two amazing state-of-the-art science labs and STEM curriculum offering hands-on learning experiences for our students. In 2019 St. Bernadette was selected to be among the schools in the Dioceses of Albany, Bridgeport, Brooklyn, Rockville Centre, and the Archdioceses of Hartford, New York, and Newark to receive this year's STEM Award from Fordham University!

The Academy is extremely proud to offer eighth-grade students the opportunity to participate in a Regents math course and exam which will apply

New York State Regents credit to their high school academic transcript!

Extracurricular activities provide students with opportunities to develop leadership skills, interests, and personal talent. Students can participate in various clubs, including; band, violin, robotics, journalism, book club, handbells, photography, and so much more!

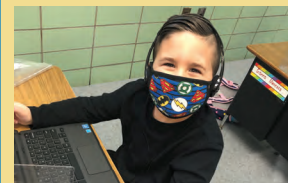

Gifted students who thrive on academic challenges engage in math, history, geography, and spelling bees, in addition to being recognized via the John Hopkins Search for Talented Youth and the Junior National Young Leaders Conference. A dynamic Student Council organizes events and gatherings, while our stellar Home Academy Association provides families with volunteer opportunities and amazing social events throughout the school year.

The academy is very proud of our Class of 2021, awarded over \$1 Million in Scholarships, and have been accepted to the following schools: Fontbonne Hall Academy, Monsignor Farrell High School, Notre Dame, Regis High School, Saint Joseph By-The-Sea, St. Edmund Preparatory, St. Joseph Hill Academy, St. Peter's, Xaverian, and Xavier.

scholarship and loan programs, and athletic and other school-administered programs.

From three-year-olds in junior pre-kindergarten to eighth graders, students know that they are cared for and loved. Students thrive academically, spiritually, socially and emotionally.

Students receive an education rooted in the teachings of Jesus Christ and

the Next Generation Learning Standards of New York. Students are prepared to think critically and work collaboratively so that they can grow and achieve their full potential.

Differentiation of instruction allows students with learning or social/emotional challenges to learn beyond expectations. Students who achieve on a higher level have the opportunity to take enrichment classes in the humanities and NYS Regents courses in math and science.

Students learn to use technology in a safe and responsible manner. All students receive technology education on a weekly basis in a state-of-the-art lab. Early childhood classes use

"We Teach With Love" is the motto that is lived every day at St. Bernard Catholic Academy.

class sets of iPads. Grades 1-4 use class sets of Chromebooks and fifth through eighth graders each have their own personal digital device for use in all content areas.

STEM (science, technology, engineering, math) jobs are the careers of the future. With a fully equipped STEM Lab and program that the children participate in on a weekly basis, students are learning to think, explore, and create. All students take art and music classes, and have school-wide shows and assemblies.

A drama program (grades five to eight) is also available. Students even take their talent "on the road" to senior centers to visit and entertain.

Students actively participate in community service activities, including hurricane relief efforts, raising funds for cancer care, clothing and toy drives. Students realize that helping others is part of a good character. Come and be part of the St. Bernard Family!

St. Catherine of Genoa - St. Therese of Lisieux Catholic Academy

St. Catherine of Genoa ~ St. Therese of Lisieux Catholic Academy is a Catholic community of students, teachers, parents and staff working collaboratively to create a safe, caring, supportive, innovative and academically challenging environment for every child. This community fosters individual spiritual growth and self-esteem while promoting respect, understanding and appreciation across cultures. They also like to have fun!

One of the academy's goals is to prepare students for a successful and rewarding future by developing their academic and interpersonal skills while fostering and enriching their Catholic faith. The faculty is dedicated to nurturing students spiritually as well as academically and developmentally. Lessons are diversified to help meet the needs of the individual student to ensure his or her continued success. The family-oriented atmosphere is enriched with faculty, staff and parents who are graduates of the schools. The school community invites families to join in the many activities throughout the school year. The academy is fortunate

to provide Title 1 services in math and reading as well as guidance through the Diocese's Program for the Development of Human Potential.

Each morning, the school community participates in prayer together. In addition to daily prayer, classes from grades K-8 attend Mass once a month with the church community at St. Therese of Lisieux. There are also many opportunities for students to raise money for those in need, or a specific cause, as well as reaching out to their neighbors.

As the academy's mission statement says: "We prepare each student to live a life of faith and integrity able to serve actively and justly in the Church and world." The academy provides instruction in religion, language arts, mathematics, science, social studies, art, music and physical education. In addition, there are visitors (parents and other community members), assemblies, field trips and other enrichment activities that enhance classroom instruction.

Respect for diversity and the ability to function effectively in different cultures are fundamental. The academy continues to have wonderful opportunities for students to

integrate technology in all curriculum areas. Students use laptops, iPads, SMART boards and have access to a state-of-the-art computer lab. The academy also has implemented a new STEM Lab that is available to students from kindergarten through eighth grade with hands-on learning experiences in biology, physics and chemistry while using engineering and math concepts. STEM is more than just a grouping of subject areas. It is a movement to develop the deep mathematical and scientific foundation students need to be competitive in the 21st century workforce.

St. Catherine of Genoa ~ St. Therese of Lisieux Catholic Academy offers free, full-day, high-quality pre-K through NYC's Pre-K for All. Pre-K for All students learn through play, exploration, and from their relationships with teachers and peers. The school fosters the children's independence as they gain skills needed to continue to succeed throughout their school career.

The staff, parents and students of St. Catherine of Genoa ~ St. Therese of Lisieux Catholic Academy believe that their school allows the ability, flexibility and latitude to provide innovative curriculum development and an outstanding instructional program. The

exciting educational experience reflects the wonderful relationship that exists between the students, parents and school staff, as well as the surrounding community in accordance with the Catholic faith. Everyone partners together for each child's success!

St. Edmund Elementary School

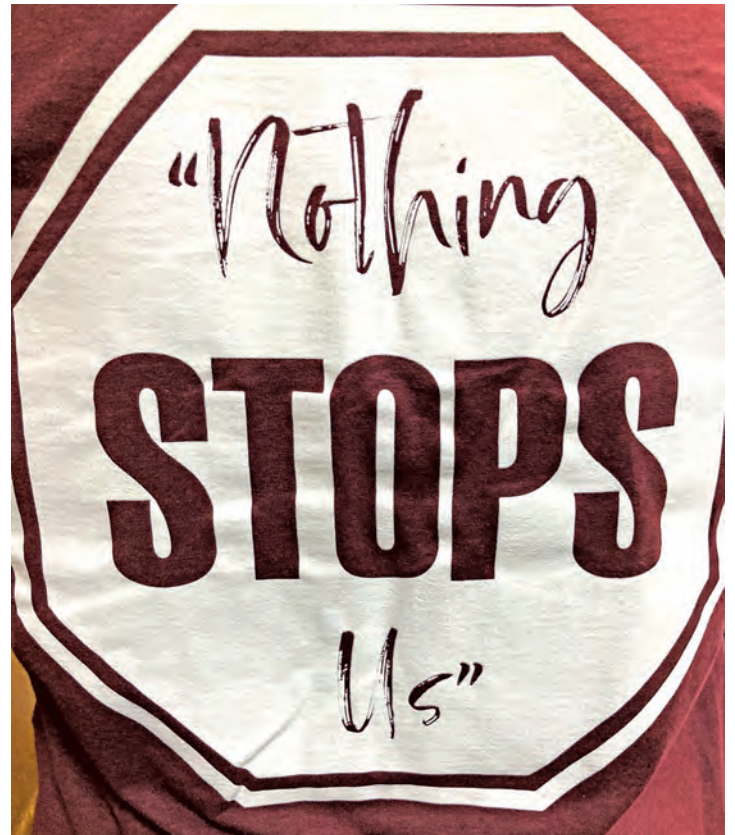

Let your child soar with a Catholic Education

We begin the 2021-2022 Academic Year with pride in our faculty, parents and students for their enthusiasm, competence, and grace in the face of the challenges of this past year. Our success in providing five day in-school instruction on all grade levels exemplifies our dedication to fulfill our mission to prepare our students academically, spiritually, and emotionally in all circumstances. We share a unique collaboration with St. Edmund Preparatory High School, with the majority of our graduates attending the Prep

include STEM activities across all curriculum areas. Robotics is offered as an elective in grades five to eight and our First Lego League Robotics team, the Nerd Herd, has placed in city-wide competition in consecutive years. Our fully equipped Science Lab provides an optimal environment for our students to participate in hands-on Lab Learners experiments and activities in biology, chemistry, physical science and physics. Our newly renovated Computer Lab and Library Media Center, along with Chrome Book implementation on all grade

environment. St. Edmund Elementary offers an Early Morning Program that opens at 7:00 a.m. and an Afterschool Program that includes homework assistance until 6:00 p.m. Afterschool Clubs include Math Club, Drama, Junior Robotics, Newspaper, Cooking, Gardening, Art and Basketball. The unique architectural style of our building which houses St. Edmund Church creates a spiritual and peaceful atmosphere that enhances our academic programs and social activities. St. Edmund Elementary offers a Tuition-Free Catholic School Pre-K Program. Great things are happening at

St. Edmund Elementary School. We invite your child to become a "Little Eagle" as a member of our vibrant St. Edmund Elementary Family.

Prep Your Home, Dorm, and Classroom for a New School Year

Many students spent the last school year learning virtually, and now, there are a lot of items on parents' and teachers' to-do lists to help get ready for a return to traditional learning this school year. Below are tips to help simplify the transition – at home, in the classroom and in a dorm room.

At Home

Take Time to Declutter: With most students returning to in-person learning, it's easy to forget about the workspace at home. Create an area for homework and studying that's free of distractions by throwing out unnecessary items, filing away papers in folders and buying new supplies like pens, highlighters and paper. Add Duck Brand Select Grip EasyLiner to desk drawers and shelves to keep items in place and protect the surface from scratches and dents.

Meal Prep for Simple Mornings: Early morning routines and busy commutes will become the norm again. Keep them stress-free by stocking up on a variety of breakfast and lunch options so you can prepare and pack delicious meals and nutritious snacks for the week. By having meals planned and proper ingredients on-hand, kids can get to the bus on time and stay focused all morning.

In the Classroom

Welcome Students Back: Teachers can create a fun and welcoming environment by decorating the classroom with colorful bulletin boards and personalized nametags. EasyLiner Adhesive Laminate is a budget-friendly way to add extra protection and ensure they last all year long.

Help Keep Students and Teachers Healthy: The health and safety of students and teachers should continue to be prioritized. Take proper hygiene measures by encouraging

kids to wash their hands, cover their coughs and catch their sneezes. Keep a small bottle of hand sanitizer in lunch boxes and backpacks for convenient sanitizing.

In a Dorm Room

Create a Home Away from Home: Moving away from home and adjusting to living alone can be challenging for college students, but the transition can be made a bit easier by making their dorm feel like home. Personalize the space by hanging family photos, canvases

with fun colors and patterns or string lights. If you're worried about paint chips on the wall, try hanging items with Nano-Grab Gel Tape. The multi-purpose solution holds up to 20 pounds and can be used on a variety of surfaces, without leaving behind a sticky residue.

Ensure Proper Nutrition: Getting adequate sleep and proper nutrition are necessary for fighting colds and flus while living in close quarters with others. Skip the chips and use EasyLiner Disposable Cutting Mats to cut up fresh fruits and veggies for a nutritious snack without having to leave the room. These disposable cutting mats provide a strong and flexible cutting surface, while the textured bottom keeps the cutting mat in place. They come in a convenient box with a built-in easy cut slider for quick and easy clean-up.

To find other products and ideas that can help get the school year off to a great start, visit duckbrand.com.

For many students, this school year is coming on the heels of a year and a half of virtual learning. With a few smart strategies, you can help keep students organized, happy and healthy as they make the transition.

St. Francis of Assisi Catholic Academy

St. Francis of Assisi Catholic Academy (SFACA) located in the Prospect/Lefferts Gardens area of Flatbush has been an educational beacon for 112 years. Following in the footsteps of St. Francis of Assisi, this gem steeped in the Catholic tradition of excellence enables students through its faith formation program to develop a deeper understanding of the teachings of Jesus while cultivating a deeper relationship with Him.

Blessed with dedicated educators, who along with the continual presence and influence of the Sisters of St. Joseph since the school's inception in 1909, SFACA has sought to instruct students in the Catholic faith tradition. Recently the Academy has also been blessed with the presence of the Emmanuel Sisters.

Utilizing the NYS Next Generation standards for its core subjects (ELA, Mathematics, Science and Social Studies) and believing that children are not born with all the intelligence that they will ever have, SFACA has been committed to enhancing its educational curriculum by incorporating some of these intelligences through music, art, and physical education. It is for this reason that the Academy participates in Stages on the Sound, a Performing Arts Residence every year. Through this Residency students in

various grades gain enriching experiences working with artists in playwriting, film making and dramatization. Additionally, the students, faculty and staff of St. Francis are known for their phenomenal Christmas and Spring Show productions.

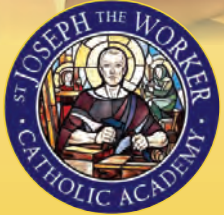

In this era of COVID-19, SFACA was extremely fortunate to have had technology classes as part of its regular curriculum throughout the school year. Barring minor glitches, these technology classes became the spring board for launching a successful distance learning program for all our students, Prek - 8, from March through June this past year.

Every student graduating from St. Francis leaves the school equipped with strong study skills, time-management and note-taking techniques that prepares them for high school, college and a career. To this end, it is important to note that many of our students who opt to continue on to Catholic High Schools often receive scholarships.

Tuition is reasonable and comparable to other Catholic schools in the area. Tuition assistance is available if needed.

St Joseph The Worker Catholic Academy

Situated in a prime location in the middle of Windsor Terrace, across the street from the F/G trains and blocks from the southwest corner of Prospect Park, St. Joseph the Worker Catholic Academy offers pre-kindergarten for three- and four-year-olds, and kindergarten through grade eight.

The academy offers a challenging curriculum focused on rigor, respect, reverence, responsibility to self and service to others. The academy is proud to be a safe and encouraging environment that challenges bright minds to explore their interests and discover the best in themselves, their classmates and the world.

Strengthening the Catholic Vision

No two children are exactly alike and no two children learn in exactly the same way. Programs at St. Joseph's are designed to help each student learn as quickly as they can and take as much time as they need in order to produce the best possible learning outcomes. To nurture the spiritual dimension of students' lives, class Masses, prayer services and various community service endeavors are undertaken to strengthen the Catholic vision of faith formation and community service.

Development of character and self-discipline are strong pillars of the academy. Students are encouraged to be courageous in expressing their personal convictions and values in the safe environment of the classroom and to practice those values in within the greater community.

Art, music, STEM, Spanish, technology, Junior National Honor Society, robotics, and Algebra 1 are among the academy's academic offerings, as well as bus service, a school library, SETSS, speech services, a school counselor, an IEP coordinator and a full-time nurse. Our school features a NEW STEM Lab, Sensory room and 1:1 Technology. Extracurricular clubs and programs include an after-school program, band, violin, a dance, sports, chess and much more.

Tuition assistance is available for those who qualify. Tours are ongoing and can be arranged by contacting jdemera@sjwca.org. Learn more at www.sjwca.org.

Saint Mark Catholic Academy

A Guiding Light in Sheepshead Bay, Brooklyn,
for Children From Nursery School to Eighth Grade

Welcome Home! Safe Harbor Awaits!

WE ARE ALL PART OF ONE BIG SCHOOL FAMILY!

718.332.9304
www.smcaonthebay.org

2602 East 19th Street
Brooklyn, N.Y. 11235

St. Mark Catholic Academy

Welcome Back! Safe Harbor Awaits!

The distant glimmer of a lighthouse on the horizon is often the first sign of home for a ship returning to port—behind it are the rough seas and uncharted waters it was forced to navigate.

The Saint Mark Catholic Academy family set out on our journey this past academic year when we began in-person 5-days a week classes while dealing with some uncertainty of another Year of COVID regulations and restrictions. A little Unsure of what was in store, our faculty braved these uncertain waters along with our students and families.

While most of our students sailed through the entire year learning in-person with desk shields, masks, and everyday temperature checks. But we all as a family persevered through an entire year at St. Mark Catholic Academy. Without question, uncertainty surrounded this "voyage."

What was certain, however, was our return home. The symbol of Saint Mark Catholic Academy is the lighthouse. Even though we've faced some of our darkest times, "the guiding light in Sheepshead Bay" has continued to shine.

We welcome back our returning students and new ones in just a few weeks, to 5-days a week in-person classroom learning.

To so many of our students and their families, and so many of our faculty and staff, Saint Mark Catholic Academy is more than just a building or a school; it is their home...

"St. Mark Catholic Academy is a Wonderful school and an inclusive space for children throughout the pandemic"— Parent of student at St. Mark Catholic Academy 2021.

"Because of Saint Mark's and the Diocese's careful and considerate planning, my son attends school 5 days a week full time. This has returned our home life to normal, and I thank St. Mark for their diligence and thoughtful planning, but most of all for their love of our children" – Parent of student at St. Mark Catholic Academy 2021.

Welcome back to your home, your little school in Sheepshead Bay, a school with a Big Heart and enough room (Socially Distanced) to extend our family with you as part of it.

We hope that you have played it safe and enjoyed your time away this past summer. Throughout this past year, our beacon of hope has continued to burn brightly, and now that same light beckons us home.

St. Patrick Catholic Academy

St. Patrick's has been a Bay Ridge mainstay since 1863 and is proud to continue the tradition of outstanding academics and strong Catholic values.

The mission at St. Patrick Catholic Academy is to lead by example as Christ did when teaching, learning and serving.

Starting in the Nursery Program (PK3), all students have the opportunity to attend art, music, gym, Italian, and library classes. Kindergarten through eighth graders effectively use 1:1 devices. Junior High students have a choice of language class and prepare for NYS Algebra 1 and Living Environment Regents Exams. Each classroom has an Apple TV or SMARTboard and air-conditioning! Every eighth grader is accepted to his or her first choice high school.

St Patrick's features a Library- Media Center, STEM Lab, separate gymnasium, auditorium, and student-centered early childhood classrooms.

All the teachers are New York Stated certified teachers and deliver differentiated instruction to meet the needs of each student. Blended learning is prevalent in grades

K through eight. Collaboration and teamwork are taught to facilitate work and students are involved in establishing guidelines for behavior. Rubrics are used to communicate with students what is important and to assess their understanding.

The curriculum at St. Patrick is rigorous and challenging. St. Patrick outscores local Bay Ridge public and private schools in NYS ELA, Math and Science exams. All eighth graders have the opportunity to take the NYS Algebra 1 and Living Environment Regents.

*During COVID
St. Patrick was opened
Every Day with Every
Child in Class*

Limited spaces are still available for the 2021-2022 school year, starting at the nursery level, which offers half-day and full-day options.

St. Peter Catholic Academy

The Foundational Rock for Catholic education in Bensonhurst

The Academy family beginning last September was certainly challenged as we opened school for the 1st time since the beginning of the pandemic. As Jesus once said, "You are Peter and on this rock I will build my community. And the gates of the underworld can never overpower it." Although the Academy was faced with challenges, both the teachers and students were able to overcome them and succeed. Our faculty took teaching to a new level.

Fast-Forward almost 2 years later we are now ready for our nets to be full again. The symbol of Saint Peter Catholic Academy is a key. Although we have experienced some of our most difficult times we are ready yet again to open our doors so that young followers

may continue to be strong leaders.

In a few short weeks, our students will return to their classrooms. While the rooms may be set up a little differently, and schedules altered, they now have the key to return home.

To not only our students and their families, but also our faculty and staff, Saint Peter Catholic Academy is not just a brick and mortar building, it is their home...

"Our years here at Saint Peter Catholic Academy have taught us many new and exciting things. Yes, there were challenges, but we learned to face them with assurance. This is not just a school, but a family." - Hayley Lee, Valedictorian of the Class of 2021.

As Peter followed Jesus his life was changed forever. Much in the same the Academy family has worked together to overcome all obstacles so that we may continue to change the lives of our students.

Welcome back!

St. Edmund Prep High School

Forming Uncommon Leaders through Bold Learning Approach

Our world needs, innovative, compassionate, moral leaders. They're formed at St. Edmund Prep. Our approach is simple. We inspire our students to grow in essential dimensions of their lives – intellectually, spiritually, emotionally, socially, and physically. Our students become people who are equipped to lead with uncommon character and conviction.

Engaged, Active Learning

Learning at St. Edmund Prep is energetic. It's forward-looking. It's collaborative. Our small, interactive classes, with remarkable teachers, guide and challenge our students to discover their passions, develop their talents, and reach their academic potential. Our varied academic program has something for every student.

- **International Baccalaureate Diploma Program (IB)** The gold-standard of secondary school learning, which complements our mission to empower our students to become confident, skilled, self-disciplined participants in our global society.
- **World Scholars Honors Program** Our World Scholars Honors Program recognizes the academic excellence of students with significantly high TACHS scores and academic achievement in grades six through eight. It is

a rigorous and challenging program of study for the highly-motivated and academically-gifted student.

- **AP & St. John's College Advantage Program** Offers juniors and seniors a unique opportunity to take college level classes, approved by the College Board or St. John's University, at St. Edmund Prep.

Cultivating Creativity, Innovation, and Faith

St. Edmund excels at bringing out the creative and innovative spirit that lies within each student. At St. Edmund, these aren't reserved just to the artistic and technological disciplines. Across our curriculum, innovation and creativity go hand in hand with learning. Our Caritas Ministry programs challenge each student to grow in closer union with God – through prayer, sacraments, study, faith-based programs, retreats and reflection and active service to others. St. Edmund graduates go out into the world with a strong sense of God's love and their unique role in His plan to serve God and others and improve the world.

Saint Saviour High School

Where we cultivate Scholarship - Leadership - Character - Sisterhood - Confidence

As you enter Saint Saviour High School, located at 588 Sixth Street, in Park Slope, Brooklyn, our Assistant Principal, Mrs. Bernstein, greets you at the door. Heading to your locker, you might stop to greet our Principal, Mrs. Timpone, before organizing yourself for morning

classes. On any given day, students can be seen decorating the lockers of friends and classmates to celebrate a birthday. In the half hour before homeroom, a cadre of students is busy in our Greenhouse Classroom, engaged in scientific research. Down in the Art Room, students are putting the finishing touches to projects that are class – or club – related. On the third floor, the Gospel Choir or Instrument Ensemble rehearses for a liturgy or concert. In the guidance office, seniors share news about college goals, early acceptances and scholarship awards, while others rush to Room 203, keeping appointments to work on their college application essays. All this activity and the day hasn't even officially begun!

And what a day it will be: with English classes in which you explore the nuances of poetry; Math and Science classes that teach you about the universe as manifested in the laws of Physics; History classes that open doors to the past as a way to understanding the present; Religion classes exploring Faith in the Media; and Foreign Language classes

helping you discover your love of language.

In between, there will, of course, be breaks: for Physical Education class, where, in an intense fitness workout, you can blow off steam or center yourself through yoga during exam week; for study halls, where you can return to the greenhouse room or head to the library to put the polish on an article for the school newspaper.

2:45 pm: Over the public address system comes the message: "Have a good afternoon, you are now dismissed." But the day is not done, as a myriad of extracurricular activities

awaits: play practice, community service projects, extra help sessions, team practices, play-off games, anime and minecraft in the computer lab: something to satisfy every student's interests.

But don't take my word for it: find out for yourself!

Join us at our fall Open Houses on Thursday, September 30 or Sunday, October 17!

Divine Mercy Catholic Academy

Students at Divine Mercy Catholic Academy in Ozone Park are educated in a caring family atmosphere that is committed to excellence in education. The school prepares children of all ethnic and religious backgrounds with Christian moral values, knowledge, skills and appreciative attitude that will empower them in life.

Students actively participate in monthly Mass and daily prayers. They are made aware of the needs of others and provide service through participation in drives for the victims of natural disasters and charitable programs including the Juvenile Diabetes Research Foundation and St. Jude Children's Research and Hospital.

The academy offers 3 For All (three-year olds) and Pre-K for All (four year olds). These programs are free. In addition, we offer kindergarten through eighth grade (tuition based) in a safe (CCTV) and structured environment. There is an after care program from 3 to 6pm.

Eligible seventh and eighth-grade students are offered honors math classes to prepare them for the Algebra I Regents at the end of eighth grade. Spanish is part of the curriculum for grades five through eight. ALL students from kindergarten

through grade eight use SMART board technology and have individual devices.

Bus transportation and the free/reduced lunch program are available to eligible students.

We also are able to offer our students LearnIT math and reading classes as well as counseling services to qualified students.

Through the pandemic, we have had to make many changes to our school to keep our students and faculty safe and still provide many learning opportunities. It is important to DMCA that students are engaged during the school day, as well as after. We have used a virtual platform to provide afterschool activities for our students. Parents and students can use these opportunities to meet other families and help our school. Hopefully, we will be able to have in person student council sponsored activities.

For more information please call the school at 718-845-3074, ext. 3. There is a virtual tour posted on the website. Please call the school with any questions and in regards to registration.

Holy Family Catholic Academy

Holy Family Catholic Academy, the hidden jewel of Fresh Meadows, is located two blocks north of St. John's University. It provides a faith-based education from PK3- eighth grade in a safe, scholarly environment. A dedicated faculty works to nurture the whole child spiritually, intellectually, emotionally and physically.

At Holy Family, Catholic education is about developing saints and scholars. The virtues of faith, mercy and love are instilled in all students. The school strives to have students know that they exist to be in community with God and with each other. The Golden Rule is an essential learning for students.

In addition to its strong Catholic identity, the children receive a strong academic background that makes their transition into high school less stressful. In addition to the core subjects of Religion, English, Math, Science and Social Studies, students also have Spanish, Music and Physical Education.

Students explore their other talents through the CYO sports program and band.

After-school clubs that offer coding, drama and art have been part of the program over the years.

Students are encouraged to be of service to their school and parish. They have the opportunity to be altar servers and choir members. There also are Scout troops for boys and girls where they are taught about helping others. Food drives, mission drives, and Operation Christmas Child give students opportunities to help others in need. They rise to the occasion giving witness to God's Corporal Works of Mercy.

At Holy Family, there is a family feel. The faculty, administration, parents, students and parish all work to be one. Parishioners look forward to seeing the students who attend the 8:30 a.m. Mass. The Home Academy Association works to ensure new families are welcomed at Holy Family. The school community takes pride in saying, "Holy Family Catholic Academy, many families in one, becoming one, Holy Family in Faith."

Immaculate Conception Catholic Academy

Immaculate Conception Catholic Academy, located on 16 beautiful acres in Jamaica Estates, Queens, offers co-educational programs for students in PK-3 through Grade 8. Our dedicated faculty and staff provide a caring, safe and secure learning environment for all of our students.

The mission of ICCA is to teach the message of Jesus Christ and implant the values He taught to students of all faiths. Through the sound teachings of the Sisters of St. Joseph, Immaculate Conception Catholic Academy. BELIEVES in Academic Excellence and fosters an environment that every child can ACHIEVE.

ICCA offers a variety of before and after-school activities, encouraging the well-rounded student to participate in a Band, Drama and The Aquinas Honor Society.

Our Band program is the largest in the Diocese of Brooklyn, our students participate in a science fair each year and our young actors and actresses have put on productions of shows such as *Peter Pan* and *Aladdin!* We have also teamed up with Mad Science to offer hands-on science programs after school! This year, we are also adding an after-school art program with the Crayola World of Design!

ICCA has a full-time SETTS teacher on staff and has offers a hot-lunch program for families who are interested.

Our 8th Graders continue their educations in some of the most prestigious Catholic high schools in Queens, Brooklyn and Manhattan, including The Mary Louis Academy, St. Francis Prep, Xaverian, Archbishop Molloy and Regis!

While it's easy to see the value of a Catholic education, we understand that paying for a Catholic education may be a challenge, especially now! We are currently offering financial aid opportunities for the 2021-22 school year to help make a Catholic education possible for all students!

As we continue to work through this "new normal," ICCA will continue to follow all safety protocols to ensure the health and safety of the entire ICCA family.

For information about enrolling in ICCA, please call (718) 739-5933 or log on to our website at www.ICCAJamaica.org.

Incarnation Catholic Academy

A Brand New Academy for 21st Century Scholars

Incarnation Catholic Academy in Queens Village prepares students from nursery to grade eight for high school, college, and beyond. The school educates the whole child in a safe, friendly, family environment, and strives to prepare its students, not only academically, but also spiritually, to serve others, as Jesus did.

Students learn and practice their Catholic faith every day. They go to church monthly and work on monthly service projects.

Incarnation Catholic Academy seeks to educate students in a warm, loving climate. The goal is to develop a student's spirit and intelligence, and encourage his/her own Catholic Identity. It teaches respect for self and others, as exemplified by Jesus in the Gospels.

Family involvement is encouraged and benefits the entire Academy.

3K for all and Upk for all are also offered. Under the guidance of a dedicated faculty, students thrive intellectually, socially, spiritually, in a safe caring environment.

The elementary grades offer a balanced curriculum of rigorous academics using the standards set forth by New York State and Diocese of Brooklyn, paired with the teachings of Roman Catholicism. The school accommodates the needs of the learner, and differentiates instruction, so that every student's abilities can be addressed. Every individual is unique, and so a different type of instruction addresses each learning style.

In addition to the core academic subjects of religion, ELA, math, social studies and science, the Academy offers instruction in Spanish, art, music, and physical education on all grade levels.

For information on registration, call 718-465-5066 and schedule a tour or take a virtual tour by visiting www.incarnationqv.org and check us out on Facebook Incarnation Catholic Academy Queens Village @IncarnationAcademy.

Our Lady of Hope Catholic Academy

The mission at Our Lady of Hope, Middle Village, is to provide a Catholic education that furthers the spiritual and academic development of each child. The responsibility for this is a shared endeavor among the community. The values in the mission statement play an influential role in helping each child appreciate that he or she is loved and respected for who they are as a member of the community.

Aside from a full academic and religious program, Our Lady of Hope offers a rigorous Early Childhood program for children in nursery to grade two with emphasis on literary and basic math skills. The staff provides learning experiences appropriate for each grade level with the goal of helping children succeed to their highest potential in a manageable class size.

Our Lady of Hope focuses on inspiring a love of learning in its students. It strives to meet the intellectual needs of all its students to create a challenging atmosphere where all are encouraged to reach their fullest potential.

To maintain its high academic standards, Our Lady of Hope continually updates its academic curriculum. The reading and math programs are taught in accordance with NYS

regulations to keep students learning at a rigorous and advanced level, designed to develop competency and higher-order thinking, encourage creativity and promote independence. Each classroom is equipped with SMART board technology, Wi-Fi access, Chromebooks, and iPads. Creative expression is encouraged in both the academic subjects, as well as in music and art. Technology is incorporated into the entire curriculum.

The academy offers art, coding, health, music and foreign language classes, as well as a variety of academic and social development clubs after school. Our Lady of Hope participates in the National Junior Honor Society, Science Olympiad and the Aquinas Independent Study program, as enrichment programs for hardworking and conscientious students in seventh and eighth grades. It also participates in the Catholic Youth Organization program and provides a youth ministry group in grades seven and eight.

Our Lady of Mercy Catholic Academy

Starting on the Path to a Career in Medicine, Law or STEM

Our Lady of Mercy Catholic Academy, located on Kessel Street in Forest Hills, seeks to provide a quality Catholic education for children, nursery to eighth grade. At OLMCA, we nurture the whole child through programs encompassing the spiritual, intellectual, social, psychological and physical development of its students.

OLMCA is fully accredited by AdvancEd. Through its religious education program, OLMCA aims to develop a well-rounded Christian personality in its students, which is reflected in respect toward self and others as exemplified by Jesus in the Gospels.

The staff at OLMCA, in cooperation with the families of its students, works to assist children in developing a system by which to judge the use of values and skills.

Full and Rigorous Academics

Students participate in a full and rigorous academic program, which includes library, technology, art, music, enrichment and physical education. Children learn Spanish as a foreign language. Reading comprehension is a cornerstone of an OLMCA education.

With a brand new LabLearner STEM Lab and updated Technology Lab, our students

have many ways to showcase and hone their talents.

We believe in the importance of the arts! Come and listen to our stellar band and Glee Club! You can find our fifth and eighth graders ballroom dancing.

Our early childhood students will be developing their gross motor skills in our brand new playground.

Rooted in the Catholic Faith

The school day starts at 8 a.m., though the school provides extended care through its before-school and after-school programs. In addition, we offer chess, golf, soccer, art, and yearbook to our students.

Our Lady of Mercy Catholic Academy is committed to academic excellence that is rooted in the Catholic faith, affirmed by the teachings of Jesus Christ, and centered on our service to God, family, and community.

We hope to see you soon for a tour!

Our Lady of Perpetual Help Catholic Academy

As one of the most outstanding Catholic academies – with students from pre-kindergarten through eighth grade – the faculty and staff of Our Lady of Perpetual Help Catholic Academy are diligent in their commitment to the spiritual, academic, physical, social and emotional growth of each child. This can be witnessed in the accomplishments of their students and graduates.

Located in South Ozone Park, the multi-sensory, Next Generation Standards curriculum and cross-curricular instruction at Our Lady of Perpetual Help Catholic Academy ensures that each student's individual needs are met. Because every student is different, the faculty and staff at Our Lady of Perpetual Help Catholic Academy identify and cater to a variety of different learning styles. Whether students are visual, auditory or kinesthetic learners, "we help every child find success by including all modalities of learning".

Our Lady of Perpetual Help Catholic Academy opened in 1927 and has remained

dedicated to the development of the child ever since. "Our students find God in all things.

They are spiritual, disciplined and compassionate people of integrity.

The leaders of tomorrow begin in our Catholic schools".

At Our Lady of Perpetual Help Catholic Academy, students consistently show outstanding performance in mathematics, language arts and science on statewide testing.

All members of the 2020-21 were accepted into Catholic and specialized public high schools. In many cases students received scholarships.

"We have a great academy. It isn't just about what we offer. It's also a place where we partner with parents".

Our Lady of Perpetual Help Catholic Academy is located at 111-10 115 Street in South Ozone Park.

Resurrection Ascension Catholic Academy

Resurrection Ascension Catholic Academy has been educating children for over 80 years. Our motto, Many Faces, One Faith celebrates the diversity of our student body while honoring what unites us—our faith in God. We provide a well-rounded academic education, rooted in the gospel message of Jesus.

Access to technology is a hallmark of the Academy. Our 6th, 7th and 8th graders participate in a 1:1 Chromebook program that allows students to utilize this technology both in school and at home. Utilizing Google Classroom allows our students to collaborate while in their own homes. Feedback from teachers is immediate. All students now have access to either a Chromebook or an iPad. A weekly Computer class rounds out our program.

Utilizing the Lab Learner STEM program for grades K-8, our students will be performing hands-on inquiries and experiments weekly, using research quality equipment found in our

state of the art STEM lab.

In addition to an outstanding academic education, Resurrection Ascension students are given the opportunity to explore their talents in the arts. Third graders are introduced to the violin through a 15 week program through Midori & Friends. Fourth and fifth graders explore the world of ballroom dancing during 20 week course from Dancing Classrooms.

RESURRECTION ASCENSION
CATHOLIC ACADEMY

We have a variety of extracurricular activities including CYO basketball and soccer, twirling, Girl Scouts, Crochet Club, Student Council, Children's Choir and Safety Patrol.

The basis of all we do is a love of God and dedication to service. Our students learn to give of their time and talent to improve the lives of others through food drives, fundraisers and in-school service.

How to Have an Affordable and Easy Back-to-School Season

As your family gets ready for a new academic year, you may be wondering how to spend less on back-to-school season essentials.

The team at Dollar General is sharing some tips and savings opportunities to easily and affordably help get everyone prepared.

Check School Supplies

Consider checking school supplies off your list in the weeks ahead to help avoid any last-minute stress. Whether starting fresh or filling in the gaps from the previous school year's supply, you can find binders, folders, pens, pencils, paper, crayons, scissors and other items at affordable prices at more than 17,000 Dollar General stores across the country. With convenient locations and buy-online-pickup-in-store options through the DG smartphone app, it can be easy to make a quick trip and stock up. Digital coupons offer additional ways to save on everyday low prices. Through September 6, special offers this year include a 30% off teacher appreciation coupon, which is available for qualifying customers and can be used up to four times, as well as a one-time \$2 off \$10 qualifying school supply purchases.

Further Savings

Switching to private brands can allow you to shop the items you need at lower prices, helping you save money to go toward the items you want. From snack items for the lunch box to essential school supplies, private brands can be found in a wide variety of categories and often come with a 100 percent satisfaction guarantee. During your next shopping trip, consider ways to switch to private brands and save.

Quick Weekday Meals

The new school year also brings the start of nightly homework and extracurricular activities, which can make juggling schedules feel like a balancing act. When it comes to meal planning, be prepared to make nutritious, tasty and simple meals. The DG Easy Meals site is a good place for inspiration. Its "Better for You" recipes created in partnership with a nutritionist showcase healthier breakfast, lunch, snack and dinner ideas.

Preparing your family for a new routine can be both exciting and stressful. However, with a few tips and tricks, your family can save time and money on essentials this back-to-school season.

Article courtesy of StatePoint

Sacred Heart Catholic Academy

Sacred Heart Catholic Academy of Bayside is a school rich in a tradition that incorporates family, Catholic Values and high academic standards. Ninety - five years ago this Bayside community came together with the Sisters of Mercy to create a home for Catholic education in Sacred Heart of Jesus Parish. All who enter the school know that we are here because of Jesus Christ whose teachings we incorporate into our daily lessons.

Located in a residential neighborhood, Sacred Heart has always been known for its strong academics and for the caring it shows to those who enter its doors. All are welcome to attend the school and participate in school events. Those who have attended the school can say the Sacred Heart Catholic Academy is an " Extension of Their Family."

Our Teachers are constantly attending professional development and moving forward in their education to instill a love of learning in our students. Sacred Heart Catholic Academy has a new STEAM Lab and newly renovated Music and Art rooms.

All students K - 8 use technology. Their teachers are trained in the use of Google classroom and are continually challenging students to excel. Junior High students are offered Spanish full time as well as Gym, Art Music and TECH. All students from K - 8 will be using the Stem Lab on a regular basis. Qualifying students in our Middle School are able to take Algebra and Science Regents and 98% of our students attend Catholic High School or are admitted into the more competitive public high schools.

Our Early Childhood program consists of Nursery, our own SHCA PK 4 class, Kindergarten and First Grade. Early morning care is free for all and After care is available for a fee until 6:00pm. Clubs and activities are ongoing after school everyday. Visit our facebook page (@sacredheartbayside) and website (Sacredheartbayside.org) to view how we have celebrated being together in the last year. Call 716-631-4804 or contact tMrs. Conlan, the Principal, at aconlan@sacredheartbayside.org to schedule a tour.

OPEN ENROLLMENT

Sacred Heart Catholic Academy Motivating Students in Glendale

Based at the east end of Glendale, Sacred Heart Catholic Academy boasts more than 80 years of academic excellence. In the midst of the Covid pandemic, SHCA remained open for in-person instruction for the entirety of the 2020 - 2021 academic year.

With an education mission centered on Catholic values and student-first philosophy, Sacred Heart motivates students to become lifelong learners.

This school year, Sacred Heart will

introduce new curricular assets, including a STEM Lab, 1:1 iPads and Chromebooks, and a K-8 Reading series.

We follow all New York state and Diocese of Brooklyn curriculum and educational standards for educating our students.

They receive comprehensive instruction in religion, reading, language arts, writing, math, science, social studies, penmanship, technology, Spanish, art, music, library skills, physical education, health, and public speaking.

We acknowledge that each child is unique and has the right to succeed. We labor to provide an environment that promotes the spiritual, emotional, academic and physical development of the child.

We challenge each youngster to realize his or her fullest spiritual and academic potential, while providing a safe environment in which they can do so.

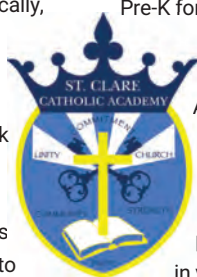

Sponsored | sacredheartglendale.org

St. Clare Catholic Academy

St. Clare Catholic Academy has created an educational environment that is child centered and challenging. This accredited academy employs teachers and staff who are devoted in assisting students to grow academically, spiritually and socially.

Dedicated teachers plan and execute lessons that are hands on, engaging and keeping students on task wanting to learn more. With Smart-boards, one to one devices, a state of the art STEM Lab, the sky is the limit as to the academic information afforded to the students.

Classes follow a broad academic program which includes technology, STEM Lab, Second Language, Health, Art and Physical Education. It is hopeful that students will once again, providing health and safety regulations, will once again be able to enhance their personal gifts by participating in several extracurricular activities that include a Baking club, Dance Clubs, Drama Club, Technology Club, Sports Program and a Band. This Academy plans to reinstate its after school Remedial and Enrichment Programs as well as additional Prep Classes to better prepare for the NYS Exams. The many different programs are proof that the Academy consistently

employs innovative ways to reach and teach students based on their individual needs.

St. Clare Catholic Academy not only offers scholarships for students in grades K-8, a free Pre-K for All 3 and 4 year old Program, it also offers an affordable extended daycare which includes an Early Morning and After School Programs.

Parents feel confident, each day, that their children are in the best place to achieve academic excellence. A pleased parent states, "When investing in your child's education, St. Clare Catholic Academy is where you want your child!" The School Counselor proudly states, "Our 8th grade students receive acceptance letters from their Catholic High School choices."

The Academy is governed by a dedicated Board whom are well respected in the community and work tirelessly to ensure the success of the students and the vitality of the Academy.

St. Clare Catholic Academy is conveniently located off the Belt Parkway, near the Rosedale LIRR and the Q 85 and Q5. For more information please call (718) 528-7174 or visit the school at 137-25 Brookville Blvd. All are welcomed!

St. Andrew Avellino Catholic Academy

Saint Andrew Avellino Catholic Academy, located in Flushing, Queens, is a positive and welcoming atmosphere where each student in Nursery to 8th grade is known personally and a part of the school family. It is a community of faith and learning, and dedicated to provide a quality education in the Roman Catholic tradition. It offers an academically-challenging program that teaches the Gospel values, supports the education of the whole child, provides a safe environment, and promotes preparing students to be life-long learners and responsible citizens serving God and others.

As of this writing, St. Andrew's will have in-person classes for the 2021-2022 school year and continue to maintain the safety of our school, the health of our school families, and focus on a positive learning environment, academic excellence, and faith-filled learning.

Dedicated and hardworking faculty embrace student development, and are committed to contributing to the spiritual and educational transformation of each child, and creating learning opportunities to stimulate and challenge the individual needs and talents

of their students. Students are encouraged to embrace learning and strive to reach their greatest potential.

The educational program adheres to the New York State common-core curriculum, and offers Living Environment and Algebra 1 Regents classes. Students in PreK to 8th grade receive weekly LabLearner lessons, held in a state-of-the-art STEM lab, and enrichment classes in art, music, technology and physical education. In addition, state-of-the-art technologies, which include interactive flat panels in every classroom, iPads, Chromebooks, Google Classroom and Google's suite of educational applications, are integrated in the students' learning.

St. Andrew's students shine academically, consistently scoring in the top in Terra Nova and New York State testing. The Class of 2021 graduates have been accepted to high schools of their choice, and collectively earned \$164,400 in Catholic high school scholarships.

As an Ambassador School in the Fine Arts, St. Andrew's educational program includes concentrated studies in music and art. Students are exposed to after-school music en-

sembles such as band, chorus, guitar, strings, piano, and percussion. The art program hosts an exhibit annually where all are welcome to experience works of art in various media done by the students of all grades.

St. Andrew's full-size gymnasium allows the students to enjoy a much-needed physical education program, as well as offer a home to many CYO team sports such as basketball, soccer, and volleyball. The sports program has been successful in winning many Diocesan Championship titles.

Students are encouraged to be of service and participate in the life of their school and

the parish. They take pride in attending church on a weekly basis and reaching out to the community and providing community service. They are given opportunities to help others in need, such as the parish's homeless shelter. In addition, they have the opportunity to be altar servers, junior choir members and junior lectors during church liturgies.

Additionally, early morning drop-off and after-school care is available. Financial assistance is also available to help with the cost of the tuition.

Saint Andrew Avellino is a home away from home! For more information, visit our website at www.standrewavellinoca.com, call 718-359-7887 or email Ms. Debora Hanna, Principal, at debora.hanna@standrewavellinoca.com.

St. Elizabeth Catholic Academy

St. Elizabeth Catholic Academy, located in the multi-ethnic, urban community of Ozone Park, empowers students to grow and develop values academically, emotionally, and spiritually of learning, a desire for self-reliance and a passion to live faithfully are championed. St. Elizabeth received accreditation from AdvancED.

The administration and the teachers of St. Elizabeth are extremely proud of their students. Our graduating Class of 2021 earned more than \$648,400.00 in high school scholarships. Classroom teachers work tirelessly to meet the needs of all students from pre-kindergarten to eighth grade. Through a partnership with DeSales Media Group, all students have their own iPads to use in school. These devices make it possible for students to develop 21st Century skills. The academy is also working toward using the devices to help personalize instruction for students.

In addition to a rigorous academic program, the academy also offers Spanish, art, music, and physical education classes. The

academy offers an accelerated program that prepares middle school students to take both the Integrated Algebra I Common Core Regents as well as the Earth Science

Regents. For students who need extra educational support, the academy has Title I services in literacy and math, ELL services, SETSS teachers, speech therapy, and guidance counselors.

St. Elizabeth Catholic Academy is proud of its Catholic heritage and students have many opportunities to live their faith. Students attend Mass often and participate in many other religious ceremonies. This year, students have shown their Christian charity in many ways; they have collected food for local pantries, donated items to Hour Children for Christmas, and donated coats for the needy. Each year, the school choir entertains residents at a local nursing home.

We are actively planning to fully open our building in September with all students being welcomed back full time. We are committed to safeguarding the health and wellbeing of all students, teachers, faculty and staff. We

will follow all New York City and New York State Departments of Health guidelines and mandates, along with the CDC guidelines for schools. Prospective families are welcome to come visit and see what the academy has to offer. Please call for an appointment if interested. Thank you!

St. Francis de Sales Catholic Academy

For over 100 years, St. Francis de Sales Catholic Academy has been proudly serving students of the Rockaway peninsula. The Academy is anchored in its Christ-centered mission to engage students with both academic excellence and service to others. In their time at St. Francis, students grow both academically and spiritually toward a faith-filled future.

In the upcoming 2021-2022 school year, the St. Francis de Sales Catholic Academy will be booming with over 600 students. With the strong foundation from their elementary and middle school years, graduates from St. Francis de Sales Catholic Academy achieve greatness in high school, college, career, and beyond. The Academy offers an array of resources to support student success both inside and outside the classroom. Most notably, an accomplished and dedicated faculty is committed to serving the needs of each and every student.

The faculty's faithfulness in responding to student needs is truly a hallmark of Catholic education and one that we are especially proud of at St. Francis de Sales. All grade levels offer Common Core-aligned direct instruction in English language arts, math, science, and social studies.

Religion classes are also taught daily at all grade levels. Grades K-2 anchor phonics instruction in the acclaimed Wilson Language Foundations program alongside Great Minds' knowledge-building ELA program, Wit & Wisdom, in grades K-3.

In addition to core instructional courses, the Academy offers Earth Science and Algebra I Regents classes, enrichment STEAM activities, Spanish in second through eighth grades, and art, technology and physical education in pre-kindergarten to grade eight. A special education coordinator oversees the instructional needs of students with documented learning needs. Students who qualify receive speech, occupational therapy and special education support services as advised by their IESP.

The challenges of the Covid-19 pandemic have shed new light on the importance of technology in the classroom. St. Francis de Sales Catholic Academy prides itself on technology use and integration, from SMART Boards in every classroom from 1:1 devices in every classroom PK-8 that facilitate learning both in-person, and when was necessary, at home. In each classroom 3-8 Google Classroom organizes course content and facilitates smooth assignment management.

Students interact with digital platforms like Google and Seesaw daily in order to create and submit feedback and receive routine feedback from teachers.

In recent years, a Go Green initiative has dramatically reduced paper usage and helped to foster a campus-wide culture of conservation.

Throughout the Academy's many programs and offerings, St. Francis de Sales Catholic Academy remains at its core, a Catholic-based environment. The Catholic faith guides every lesson and Jesus Christ remains the Master Teacher.

St. Francis of Assisi Catholic Academy

Located in the vibrant and culturally diverse neighborhood of Astoria, Queens

St. Francis of Assisi Catholic Academy in Astoria is proud to be opening its doors to Learn, Serve, Lead, and Succeed during this 2021-2022 academic year. SFACA is deeply motivated to exist in a Caring Community that is firmly committed to its mission of developing a way of life rooted in Christ and a Catholic vision that provides inspiration and identity to all its members. This desire has led our academy partners to commit themselves to a future filled with optimism and hope for our students. It is our goal to welcome our students back to full in-person learning within a safe and healthy environment. As always, St. Francis of Assisi Catholic Academy will continue to strive to be an academy of avid learners and socially conscious individuals who share a personal commitment to serve others through programs that encourage visible faith in action.

Our academy goal of Success For All inspires us to develop a curriculum that will support our students' strengths to help them maximize their full potential. By modeling and instilling commitment, passion, and perseverance, we believe our students can succeed. Through progressive instructional practices and a solid work ethic, we will support Carol

Dweck's idea of a growth mindset that suggests children's basic intellectual abilities can be developed through dedication and hard work. Children need to believe that they can boost their academic achievement level with a motivational perspective and the resilience to follow through to a set goal with determination and tenacity. At SFACA, our goal will be to convince our students that they can succeed, and support them in the fundamental and essential learning process it requires.

Our students will be actively engaged in cognitively challenging tasks in order to gain mastery and proficiency of required skills necessary for success in postsecondary education and in the global arena. Our rapidly changing world requires our students to be creative, innovative, inventive, artistic, tech-savvy, and resourceful; therefore, our academy programs will be designed to educate the whole child in academia, STEM, and the arts.

We know that the spiritual, emotional, and social well-being of each child in our CARE is essential to their growth and will be reflected in every aspect of each child's educational journey at SFACA.

In Affair of the Heart by Patricia Jordan,

we learned that "one winter morning in 1208, St. Francis of Assisi heard the words of the Gospel not only with his ears, but with his heart, and it changed his life forever." It is the mission of St. Francis of Assisi Catholic Academy in Astoria to model our Patron Saint as we form, inform, and transform our students in the Image of our Creator, to reach their hearts, so that their life and the lives of all those they touch will be better.

St. Joan of Arc School

Mission

In the spirit of our youthful patron, St. Joan of Arc, our mission is to educate exceptionally, serve endlessly, and dare dreams of the impossible in our welcoming Catholic school community so we manifest God in today's world.

Belief Statement

• We Value Our Children

We see in them their ability to contribute to our present and we see in them our hope for the future.

• We Value Our Parents and Guardians,

who are a child's first and foremost influential teachers and the child's primary provider of love, guidance, and protection.

• We Value Our Families.

The family is the source of our greatest loves. It is our central and most enduring commitment beyond self.

• We Value Our Community.

The church, synagogue, mosque, school, workplace, and neighborhood are enriched by strong families.

St. Luke School

St. Luke School in Whitestone is a Catholic institution of learning dedicated to nurturing the growth and development of the whole student - intellectually, spiritually, emotionally and physically. Its mission is to continue to acknowledge its obligation to guide children in the manner called for by Christ in His Gospel, educating the whole person: body, mind and spirit.

The faculty, in cooperation with the parents, endeavor to correlate moral and spiritual values with the day-to-day living of the faith life of the child. Daily religious instruction and prayer, together with participation in liturgical and para-liturgical celebrations and the regular reception of the sacraments, are an integral part of each student's life.

In the rapidly-developing technological world, it is essential for students to have strong technological skills. Students in St. Luke School enroll in technology classes in Pre-K through grade eight in a state-of-the-art computer lab. Students in grades five-eight enroll in an additional Technology Across the Curriculum (TAC) class using Chromebooks and Google Apps for Education, which ensures that St. Luke students are prepared to understand and adapt to new technologies.

St. Luke School has a reading specialist on staff to assist and support those students who struggle in this area. Special Education services are also offered, with SETTS, Speech, OT and a guidance counselor available. Students take Spanish in grades PK-8. In addition, St. Luke school has both before and after care hours as well as an extensive array of afterschool sports and clubs including Band, Robotics, Cooking, Yoga, Art, and academic clubs.

St. Luke School holds membership in the National Catholic Education Association. The school is part of the Diocese of Brooklyn and Queens and is subject to and bound by the general policies of the Diocese. Located in the borough of Queens, St. Luke School complies with the regulations and requirements of the New York State Education Department.

Students enrolled in St. Luke enjoy a structured yet flexible learning environment. Through a program of strong academic skills, the students are encouraged to develop their talents and to achieve their optimum level of performance so that they will continue to reach higher levels of understanding.

St. Matthias Catholic Academy

The mission of Saint Matthias Catholic Academy in Ridgewood, Queens, is to empower our students, through formal education, to reach the fullness of their potential as children made in God’s image, and to encourage them to direct their talents toward the building of a more just society.

The past century at St. Matthias Catholic Academy has been rich with a tradition of academic excellence, faith formation, and service to our community that has been nurtured by the School Sisters of Notre Dame. We continue our commitment to serve the families of our community, working together to help develop the minds, and imaginations of all our students.

Today, St. Matthias Catholic Academy continues its mission to provide an academically challenging environment to students from Nursery through 8th Grade. Our more than 9000 graduates are a testimony to the school’s success and commitment to academic excellence.

St. Matthias Catholic Academy continues the tradition of a strong academic foundation. Students make strides towards their academic goals through a rigorous curriculum. We have a great sense of faith and community through

our religious prayer services, attendance at Mass and weekly visits by the Bishop. We are greatly looking forward to reopening in September. St. Matthias Catholic Academy will be returning to full-day in-person instruction with our special classes (gym twice a week, library, foreign language, art, state test prep, etc.) added back into the schedule. Our lunch program will incorporate both hot and cold lunches.

Technology is an integral part of education at St. Matthias Catholic Academy. We are one to one with Chromebooks for our students. Each classroom is equipped with “Smart” technology. Many programs are used to help both advance and remediate students academically. For example we use i-Ready to help shape our differentiated instruction so that each student’s learning style and needs are being met.

We are very excited to be reopening our Hydroponics Lab. Here the students experience their curriculum through in-depth study incorporating all subjects.

Aside from a rigorous curriculum the Academy also provides afterschool clubs that help mold our students into well rounded individuals. Some examples of clubs on offer this year

are: robotics club, glee club, band program, sports club, step club, cinema club, piano and Lego club.

Here are just some of the fun activities we have planned for the 2021-2022 School Year for the students and their families: Halloween Parties, Paint Night, Christmas Show, Catholic Schools Week Expo, 200 Club, Dances, Winter Carnival, Family Bingo and Spring Musical.

PLUS St. Matthias Catholic Academy has both an early morning drop-off (staffed by the teachers) and an afterschool program.

*COVID-19: We will continue to follow all the guidelines and protocols outlined by the Diocese of Brooklyn in conjunction with the NYC Department of Health. The school is

fogged daily. There are hand sanitation stations located throughout the building as well as each classroom.

We are currently accepting registration for all grades Nursery through Grade 8. Please share this information with family and friends. We are currently accepting registration (Summer Hours through August 30th) Monday-Thursday from 8 AM-11 AM. Tours are also available. **To inquire about registration and arrange an in-person tour of the school please call the school office at 718-381-8003.**

The school will officially reopen for full-day in-person learning on Wednesday, September 8th.

St. Mel's Catholic Academy fosters the spiritual, social, emotional and academic growth of our students in a nurturing, Christ-centered environment to build a foundation for life.

The Early Childhood Center at St. Mel's Catholic Academy

Start your child on the path towards a bright future by providing a faith-based academic foundation at St. Mel's Catholic Academy Early Childhood Center.

We are a co-ed Catholic elementary academy, open since 1960, with a renewed shift in focus on early childhood education. We offer a faith-based and future-focused education in a family-centered learning environment and are proud to announce we have expanded to grade 4. Our vibrant, developmentally appropriate, inquiry-based classrooms, led by experienced and compassionate teachers, will provide your child the opportunity to explore, discover, and grow socially, academically and spiritually through a stimulating curriculum of academic studies, STEAM, physical education, art, music, social-emotional development and faith formation. Located in Flushing, St. Mel's currently serves children from the Flushing, Whitestone, College Point and Bayside communities.

Our Mission

St. Mel's Catholic Academy fosters the spiritual, social, emotional and academic growth of our students in a nurturing Christ-centered environment. Collectively, our community works towards creating a strong educational foundation, based on inquiry, exploration, creative

thinking and problem solving. We aspire to build the foundation so that by the time our students leave St. Mel's, they have developed into spiritually alert, morally aware and ethically empowered individuals who will become the big thinkers, problem solvers and leaders of tomorrow.

Learning through Music and Movement

This year saw two exiting additions to St. Mel's Catholic Academy. We have installed a new outdoor gross-motor play space and state of the art piano lab. Our new play space, built through the support of the Unsung Siblings Foundation, and our partnership with PHIT America provide our children with the opportunity to grow their minds and bodies through physical education, movement and play. The Rafaela Fonti Piano lab, graciously donated to St. Mel's by the Fonti Family, allows children to expand creativity, literacy and critical thinking skills through music instruction.

St. Michael's Catholic Academy

St. Michael's Catholic Academy has been providing a quality Catholic education for over 168 years to the community of downtown Flushing, Queens.

As an original member of the Two-Way Immersion Network of Catholic Schools (TWIN-CS) sponsored by the Roche Center for Catholic Education at Boston College, the academy offers a bilingual education in English and Mandarin to students in grades kindergarten through grade six. Students in the seventh and eighth grades also study Mandarin.

Support services are available to qualifying students through Title I in ESL, math, and reading. Speech and occupational therapy are also available. Enrichment in math and science is offered with STEM classes. In addition to a Gifted and Talented program, merit scholarships are awarded to high achieving seventh grade students who exhibit a commitment to community service.

A fully-equipped science lab and a state-of-the-art media center provides students with the necessary resources to meet their academic needs. Innovative academic programs

aligned with New York State Standards enrich the educational experience for the students.

The academy is open through the summer with an educational and recreational summer program for all students in the Flushing community.

St. Michael's Catholic Academy participates in the free breakfast and lunch program offered by the City of New York. Free bus transportation is available for those students who qualify. Student metro cards are also available for students. Before- and after-school care is available.

Each year, graduates are accepted into honor programs at local Catholic high schools and are awarded scholarships based on their academic achievements. In addition to these honors, graduates have also attended the specialized high schools in the New York City's Department of Education.

St. Michael's Catholic Academy participates in the full-day Preschool for All program sponsored by the City. This free program is for four-year-olds.

St. Sebastian Catholic Academy

The road to academic success begins at St. Sebastian Catholic Academy, which serves the parishes of Queen of Angels, BVM Help of Christians, St. Teresa, and St. Sebastian.

Beginning in our Nursery program for 3-year olds, children experience basic academics, play skills, and an introduction to Jesus. For children turning 4 by December we have a FREE PreK for All program. Children have access to indoor and outdoor play spaces, receive a nourishing breakfast and lunch, and learn through play experiences in the classrooms.

Children in grades Kindergarten through 8 receive a values-centered curriculum based on the Next Generation Standards. Students are immersed in an academically challenging environment where they develop spiritually, intellectually, physically, and socially.

We offer additional learning experiences including, library/media skills, STEM, art, music, foreign language, physical education, and health. We have updated our network to support the ever-evolving technology in the academy. Our goal is to reach 1:1 technology

access for students in the classrooms.

Many of our classrooms already use iPads, laptops, and Chromebooks and every classroom has a Smartboard.

For students who need additional support we have SETSS (special education teacher support services), Speech, Occupational Therapy, and counseling.

Our classrooms were rearranged to maximize capacity limits, and we are following all the DOHMH and CDC guidelines for the health and safety of everyone in our academy. We will continue to do all we can to keep Catholic education strong and prosperous.

St. Stanislaus Kostka Catholic Academy of Queens

St. Stanislaus Kostka Catholic Academy of Queens is ready to get back to school with something new! As we begin this new school year, we welcome over 330 returning and new students! St. Stan's is a second home to students and their families, a place where they gain a differentiated, faith-based, academic foundation on which to build their education. We continue with last year's implementations of sanitizing stations at every entrance to the academy, air purifiers in every classroom, and the deep cleaning of classrooms each night.

This year we open our doors with many new features! We now have a 3K program in partnership with the DOE, free breakfast/lunch program, and every classroom air-conditioned! These updates add on to our uniqueness in being a 1:1 school (one iPad/Chromebook for the exclusive use of each student), our STREAM lab with incorporated coding, and our Musical Theatre Program.

With the constant communication and participation in fundraisers with our families, the shared commitment in providing a quality Catholic Education is possible. The academic curriculum is delivered in concert with a child's ability.

St. Stan's takes pride in increasing each child's level of understanding, accomplished by using a mix of blended learning, technology, and small group instruction. Time is devoted for children to work at their own level of understanding, whether remedial or enrichment. Our academy offers SETTS teachers, speech therapy, occupational therapy, and Title 1 funded math and reading.

Catholic Identity is strong at St. Stan's. We have weekly masses, daily prayer, Advent and Lenten gatherings, prayer services, remembrances, observation of holy days, and service projects throughout the year. Students are taught to engage with each other in a caring and respectful way, always reflecting on the feelings of others with empathy and compassion.

St. Thomas the Apostle Catholic Academy

St. Thomas the Apostle Catholic Academy offers all the many benefits and values that Catholic education provides to our young students and its contributions to our church, our communities and our nation. One of the most important facts about the Catholic education that is offered at St. Thomas the Apostle Catholic Academy is not that it offers just the teaching of academic subjects, but that it also includes the formation of the whole child including their spiritual, moral and social development. Most importantly it forms and strengthens our students' Catholic identity.

The three components of faith, knowledge and service are inextricably linked to each other and are part of the daily Catholic school curriculum at St. Thomas the Apostle Catholic Academy. We are all learners, servants and leaders at STACA. Our school has a long tradition of Catholic education that began in 1909 when the first Dominican Sisters arrived at the school to begin their mission in Woodhaven. It has since continued in that same tradition for the past 111 years and with the help of God, we expect that it will continue for many more years to come.

St. Thomas the Apostle has grades K-8 and offers a free PKA Program for children who will be four years old in 2022. Families can apply for financial as-

sistance to help with the cost of the tuition.

We offer technology-based instruction in all the NYS curriculum areas and in religion. Each child in grades K-8 has their own device. During the current health crisis, our faculty and staff managed to continue to offer classes remotely without pause to provide our students with continuity of instruction during this unprecedented time. Our school provides a safe environment where all Health and Safety Guidelines are followed and where sanitizing materials are readily available to our students and staff. All students have their own personal classroom space that includes a sneeze guard.

Our students receive sacramental preparation as well as instruction in music, Spanish, art and physical education. We also provide daily free lunch and breakfast to all students. We invite you to submit any inquiries to us about our school and we will gladly respond. Please put aside any of your doubts.....and visit St. Thomas the Apostle Catholic Academy at www.stca-catholicacademy.org where "Seeing is believing!"

TACHS Prep Program

Holy Cross High School is proud to offer a rigorous 6-week program for boys and girls to best prepare for the TACHS exam.

Over the span of 6 weeks students enrolled in our program will participate in face-to-face instruction and review mathematics and language skills that are assessed on the Test for Admission into Catholic High School (TACHS) exam.

Historically, students that attend a prep- class are better prepared and score higher on the exam.

Holy Cross High School

Holy Cross High School is dedicated to providing a challenging college preparatory education aligned with state and national criteria through various academic programs. We have invested over **\$1,000,000** in enhancements to our **STREAM** program (Science, Theology, Robotic, Engineering, Arts, and Mathematics) curriculum, which ensures we remain on the forefront of education.

A Holy Cross education is supported by the **Four Pillars of Faith, Community, Service, and Wisdom**. The professional faculty at Holy Cross is well experienced and adept at implementing educational practices and techniques designed to meet each student's individual learning style. With a 12:1 student teacher ratio and over 50 electives and 42 advanced placement and honors courses, Holy Cross High School offers an inspiring selection of classes to spark new interests and allow students to carve a personalized career path, from pre-med, computer science, and engineering.

We have a strong alumni network offering invaluable guidance to students as they explore their colleges of choice. The Congregation of the Holy Cross also sponsors six

colleges and universities in the United States including St. Edward's University, the University of Portland, Stonehill College, King's College,

Holy Cross College, and the University of Notre Dame. Our graduates have a competitive edge in regards to scholarships and programs when applying to these colleges, as these schools are aware of the quality education our students receive at Holy Cross. Last spring, 1 out of 2 graduates received an academic award, with the Class of 2021 earning over \$15,000,000 in academic scholarships.

"How we educate the MIND will change with the times; How we cultivate the HEART is and will remain TIMELESS". Blessed Father Basil Moreau

St. John's Preparatory School

St. John's Preparatory School in Astoria has been paving the way for leaders of tomorrow for over 150 years. The school is dedicated to promoting academic excellence and instilling the principles and values of the Catholic faith in a positive, nurturing environment.

Inspired by its Vincentian tradition, St. John's Prep, established in 1870, is built upon profound respect for every individual. A vigorous academic curriculum, an engaging spiritual program, meaningful service experiences and extensive extra-curricular opportunities provide a strong foundation for life.

Academic Development

- 100 percent college acceptance with 70 percent of graduates earning scholarships
- A unique Baccalaureate Program in partnership with St. John's University enables students to complete high school and college in seven years
- Advanced Placement courses are offered in every academic discipline
- A College Advantage Program in partnership with St. John's University allows students to earn college credit
- On-site college fair, college admissions interviews and college scholarship offerings
- Extensive Honors Program beginning in

freshman year

- A rigorous curriculum individualized to prepare students for success, taught by talented, caring and certified teachers
- Advanced classes in biology, chemistry and physics complement the science electives: forensic science, human health and disease, computer coding, 3-D printing
- Advanced foreign language offerings in French, Italian, Latin and Spanish
- Full-time college counseling and guidance program with onsite Kaplan SAT and ACT Prep Courses
- Individualized tutoring offered by faculty and National Honor Society members
- Specialized programs in partnership with St. John's University, Science Research Workshops and Advanced Laboratory Programs with leading hospitals in NYC

Activities, Arts and Athletics

- Over 50 exciting clubs and activities; including Science Olympiad,
- Competitive interscholastic sports teams in baseball, softball, basketball, soccer, track and volleyball as well as an active intramural sports program
- An innovative Visual Arts Department that fosters the creative talents and artistic

expressions of the students

- An outstanding Performing Arts Program that engages students as writers, actors, dancers, designers, directors, musicians, singers and technicians
- Red Storm News, an exciting online journalism program

Global Travel

- Extensive International Travel program enables the students to better understand and appreciate the world and people from different cultures

- Service opportunities offered in conjunction with the International Travel program provide the students with life changing opportunities
- Mandarin course offered to students in conjunction with the International Studies Program

St. John's Prep inspires every student to be a confident leader who can meet the challenges of the 21st Century.

Saint Joseph's Seminary & College

Experience, Study & Pray on the Encounter Between Culture & Faith

Saint Joseph's Seminary & College welcomes qualified (undergraduate degree) lay men & women, clergy & consecrated religious in the Brooklyn & Queens Diocese to enrich their knowledge of their Catholic faith by enrolling in online & in-person classes scheduled Monday through Thursday from 7pm to 9:30pm, beginning September 7th, for the Fall 2021 semester. Registration is now open. Visit our website, www.dunwoodie.edu to learn about our theology program & to apply to or enroll in one of our programs. All classes are available for credit & for audit, for matriculation & non-matriculation. Evening classes will be delivered in-person & via Zoom in a synchronous setting.

We have two new completely on-line programs starting this fall. The Master of Arts in Theology, which is a 39-credit master program, & the Post-Baccalaureate Certificate in Theology, which is an 18-credit program, both will start this fall & will be offered completely online. In addition to these two new programs, Saint Joseph's offers the Master of Arts in Theology, the Master of Arts in Catholic Philosophical Studies, a Post-Master's Certificate in Sacred Scripture

& a Post-Master's Certificate in Dogmatic Theology. The Master of Arts in Theology is an academic degree program designed to provide students with a graduate level understanding of the saving mysteries of Christian revelation in the Catholic tradition. It is intended for those seeking a general theological education as a foundation for their vocation & service in the Church, for those preparing for further graduate studies & research. The degree program is also for those who seek to grow intellectually & spiritually. The new Post-Baccalaureate Certificate is also designed to provide students with a graduate level understanding of the saving mysteries of Christian revelation in the Catholic tradition & intended for those seeking a general theological education as a foundation for service in the Church or for personal enrichment.

Classes will be held in person at our Douglaston location, at the Cathedral Seminary, 7200 Douglaston Parkway in Queens. Classes will also be offered at our Huntington location, 440 West Neck Road on Long Island as well as our home site at 201 Seminary Avenue, Yonkers in Westchester

County. Although most classes are offered in the evening, our Huntington location offers classes on Saturdays. In addition to class populations of seminarians, lay men & women, priests & consecrated religious, Saint Joseph's provides the intellectual formation requirements to deacon candidates in Brooklyn/Queens, the Archdiocese of New York, the Diocese of Rockville Centre & the Diocese of Bridgeport. For qualified deacon candidates, Saint Joseph's offers a master's degree in Theology. Candidates may also take classes for audit.

Unique to the Douglaston location, Saint Joseph's offers a Master of Arts in Catholic Philosophical Studies. The program is 48 credits & is designed to provide students with a graduate level understanding of philosophy in the Catholic tradition. The program focuses on the nature of philosophy & its significance in a Catholic setting. A wide range of topics are covered, from the classical foundations of philosophy in antiquity, through the medieval age, to both modern & postmodern challenges. Classes are offered during the day, Monday through Friday.

Tuition is reasonable and competitive with

surrounding private Catholic colleges and universities. Classes are \$500 a credit. If students plan to audit a class, tuition is \$500 per class. Saint Joseph's offers several discounts, new students receive a 50% discount on their first class, music students taking classes through the Saint Cecilia Academy receive a 50% discount on all classes when they provide a letter of recommendation from their pastor, & all alumni may audit classes at a 50% discount.

Saint Joseph's Seminary & College is accredited by the Middle States Commission on Higher Education, the Association of Theological Schools & the New York Education Department. Saint Joseph's is a member of the National Association of Theological Schools & the National Catholic Educational Association. For advising or more information, please contact our associate deans, Christine Hammill-Cregan, J.D., M.S.W., (christine.hammill-cregan@archny.org) to attend in Douglaston or Huntington, & Donna Eschenauer, Ph.D., (donna.eschenauer@archny.org) to attend in Yonkers.

TMLA+ BACK TO SCHOOL! TYO

THE GREATEST ASSET IN LIFE

At The Mary Louis Academy, you will find your own voice—distinctive, confident, intelligent, creative, empowered—a voice that will be one of your greatest assets in life.

SAFETY IS OUR PRIORITY

Our foremost concern at TMLA is the safety of our students, faculty, staff, and families. That's why our reopening plan continues to exceed all recommendations made by the NYC and NYS Departments of Health.

A NEW HEALTH SCIENCES CENTER

offers hands-on experiences in CPR/AED and First Aid training, taking vital signs and more as part of our Pre-Medicine and Sports Medicine Designated Diploma programs.

A REDESIGNED ENGINEERING LAB

will enhance our STEM program and provide the tools and technologies our students need to pursue a passion in robotics, engineering, science and technology.

THE MARY LOUIS ACADEMY—

A smart choice for extraordinary girls

176-21 Wexford Terrace, Jamaica Estates, NY 11432

The Mary Louis Academy

About TMLA

The Mary Louis Academy is a Catholic college preparatory school for young women, founded in 1936 by the Sisters of St. Joseph of Brentwood, New York. Our educational philosophy is rooted in the Sisters' charism of unity, reconciliation, and all-inclusive love. We look to nurture each student's intellectual, personal, and spiritual growth. Our spiritual curriculum follows the Catholic tradition, yet our school welcomes students of all faiths.

Our Students

- Students travel from 94 neighborhoods spanning the five boroughs of New York City and Nassau and Suffolk counties

Academics

- The chance for each student to customize her schedule by applying for courses.
- 100% of the Class of 2021 received the highest diploma awarded by the State of New York, the Regents Diploma with Advanced Designation.
- Honors and Advanced Placement courses beginning in 9th grade.
- Seven special Diploma Designations, allowing students to pursue areas of individual interest in depth.
- An award-winning Engineering Program.
- The Science Research Program, with opportunities for advanced individual work.

Campus

- TMLA's beautiful five-acre campus is located on a hilltop in Jamaica Estates, Queens, and is accessible by subway and bus.

The Arts

- **Visual Arts**
 - Student work showcased at the Met.
- **Theatre**
 - Two full-length productions each year.
- **Music**
 - All-State music competition winners.

College Placement

- 100% of TMLA students attend college, many to the most prestigious schools in the country.
- 86% of students earn college credit at TMLA.
- 2021 graduates earned over \$57 million in merit-based scholarships.
- Every student is supported by a:
 - Guidance Counselor for all four years
 - Full-time College Counselor and PSAT/SAT prep.
 - School-sponsored trips including visits to multiple East Coast colleges.

- Data-driven program designed to help students find their best college fit.

Service

- The Service Learning and Leadership Program ensures that our students have an opportunity to make a real difference in the lives of the people in our global, local, and school communities.

Athletics

- With 29 teams, TMLA offers the largest all-girls athletic program in New York City.
- Each Scholar-Athlete receives the services of a full-time Sports Medicine staff, including a Certified Athletic Trainer and Certified Strength and Conditioning Coach.

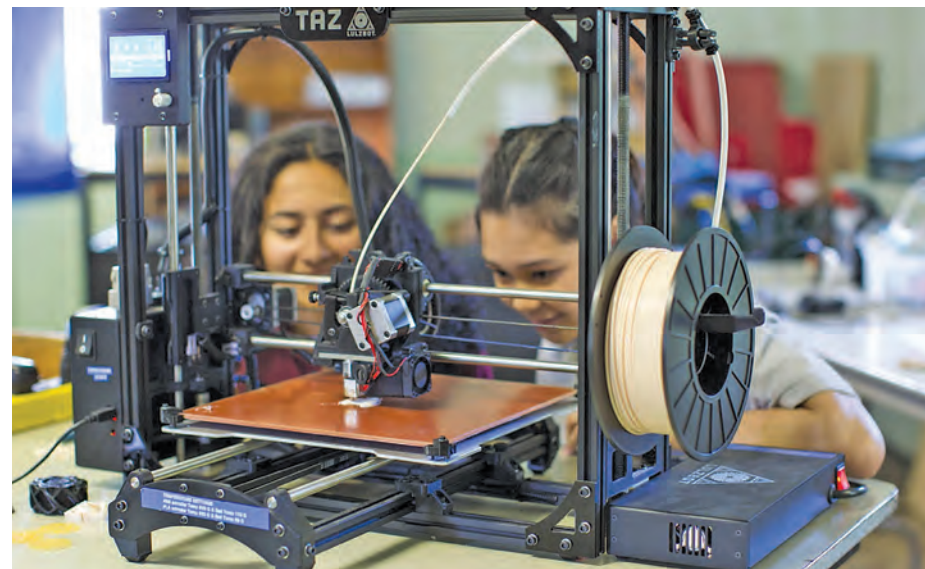

Student Life

- More than 50 clubs and extracurricular activities give our students the chance to explore personal interests and talents, make new friends, and grow in leadership.

Alumnae Success

- Over 100 noted alumnae have been honored as TMLA Trailblazers for opening paths of advancement to women in their fields.
- 300+ active Alumnae Mentors—provide our students the unique benefit of a vast professional network of women leaders who are poised to help ensure that TMLA students' dreams become reality.

TMLA+ YOU

Cathedral High School

Starting on the Path to a Career in Medicine, Business/Law or STEM

Cathedral has been synonymous with academic success since its' founding in 1905. Cathedral educates generations of young women to reach their scholastic potential. Its Honors Academy builds upon the honors classes and Advanced Placement courses and offers a rich academic and extracurricular program.

In the Cathedral's Medical Gateways Academy through partnerships with New York's world-class medical community, students have opportunities to observe medical professionals at work and to participate in internships while still in high school. The Academy includes a partnership with The Memorial Sloan Kettering Science Enrichment Program and Internship.

The Law and Business Academy features internship opportunities and career awareness.

The Science and Technology Academy is equipped with state-of-the-art technology such as 3-D printers. Paired with courses in Biology, Physics, Chemistry, STEM and Technology.

The Art Program provides a wide array of

exposure to different art mediums and styles.

A full complement of extracurricular activities keeps the career-minded student body well rounded. From clubs such as the Drama, Young Film Makers and Digital Photography to sports which include Basketball, Cheerleading, Fencing, Soccer, Softball, Lacrosse, Track, Volleyball and more.

Cathedral prepares its students for the world that lies ahead of them.

The Class of 2021 received over \$27 million in college scholarships and grants and were accepted into schools such as Barnard, Cornell, New York University, University of Pennsylvania and University of Southern California.

Cathedral will be hosting its **Open House on Sunday, October 17th from 12 to 3 PM and Wednesday, October 27th from 6 to 8 PM**, reservations are required. For more information please contact Johanna Velez at (212) 688-1545 ext. 224 or jcastex@cathedralhs.org. Visit Cathedral's website at www.cathedralhs.org.
