

Christmas 2021

Dear Bright Christmas Supporter,

With the Christmas season approaching, it is a good time to reflect on this past year and thank God for all the blessings bestowed upon us. With that in mind, there are many among us who are especially impacted by the rising cost of healthcare, gasoline, groceries and other essential items this year. These hardships will surely make Christmas difficult for families who are already trying to make ends meet.

We are happy to announce that *The Tablet's* Bright Christmas campaign is back and ready to respond to these needs. We are proud to announce that all funds received through your donations are distributed to parishes and diocesan agencies so that they can make Christmas a bright one for children.

Every donation, large or small, helps to reach our goal. Last year, because of your generosity, we raised more than \$100,000. We hope to surpass that total this year. We are humbly asking for your participation in this worthy campaign.

Simply fill out the slip below, make your check out to **The Tablet Bright Christmas Fund** and mail them to:

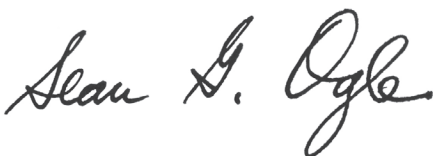

Bright Christmas, LB# 2118
PO BOX 95000
Philadelphia, PA 19195-0001

You can also donate online by going to **thetablet.org** and on the homepage, click on Bright Christmas.

In addition to your donation, if you aren't already a subscriber to *The Tablet*, now is a good time to pledge your support. Your subscription ensures that we can continue our work by providing our readers with important news and information from the Catholic perspective. To subscribe, go to thetablet.org/subscribe or call (877) 883-8356.

Thank you for helping us help others. May the Christ Child bless you and your family during the Christmas season.

Sincerely,

Rev. Msgr. Sean G. Ogle, V.F.
Chairman, DeSales Media
